Kainos Ouranos - God's Dominion on Earth

For we know that the law is spiritual, but I am of the flesh, sold under sin. Romans 7:14

When the opposition is fiercest then I am the most intensely interested in what will happen next, and what reward or what lesson will follow. Your lives are like walking a tightrope and balancing with a pole. As you are crossing that rope you could fall either to the left or right, into heaven or hell, but in any case you keep balancing yourself and continue the length of the rope. We are all really living at the edge of a tense situation. If you make a serious error-perhaps a deprogrammer grabs you and persuades you to leave-there might even be eternal consequences. In the usual day to day living it does not matter so much if you slip one way or another. But in our course you must be prepared to even give up your life in order to hold fast. SMM, How to Witness: To State Leaders, April 1, 1977

Hello,

Chung Pyung, Tennessee pastor Regis Hanna started his sermon by explaining that since God is perfect, we are also called to be perfect. We are called to fulfill the 3 blessings. True Father defined love as the flow of heart. Heart is the impulse to seek an object and by serving and loving that object to experience joy.

As one example of selfless love, he spoke about how Pastor André Trocmé and his wife Magda inspired the village of Le Chambon-sur-Lignon, France, [to shelter thousands of refugees, including many children, from Nazi persecution](#). Approximately 800 villagers shielded a total estimated between 3,000 and 5,000 Jews. The residents of these villages offered shelter in private homes, in hotels, on farms, and in schools. They forged identification and ration cards for the refugees, and in some cases guided them across the border to neutral Switzerland. The Nazi General in charge of that area knew what was going on and turned a blind eye to the whole operation although he would have been executed if his superiors had found out about it.

All of us have spiritual debts. If the bank has a claim on you and you can't pay, they take your car, home, etc. Spiritually, demons attack us. People need liberation from sin, paid with the "God money."

In Luke 23:43 Jesus said to the thief on the right, "today you will be with me in Paradise." The Greek word paradeiso means a garden, Eden, a royal park, a place of delight. The Greek word, Ouranos, refers to a location, where God "dwells" as in "where the throne of God is."

Revelation 22 it refers to Kainos Ouranos= Heaven come down to earth. God's throne/dominion coming to earth.

Then the angel showed me the river of the water of life, bright as crystal, flowing from the throne of God

and of the Lamb through the middle of the street of the city; also, on either side of the river, the tree of life with its twelve kinds of fruit, yielding its fruit each month. The leaves of the tree were for the healing of the nations. No longer will there be anything accursed, but the throne of God and of the Lamb will be in it, and his servants will worship him. They will see his face, and his name will be on their foreheads. And night will be no more. They will need no light of lamp or sun, for the Lord God will be their light, and they will reign forever and ever. Revelation 22:1-5

Nations must be healed. Regis spoke about the internal warfare in the Chinese Communist Party. Xi Jinping's rival, Central Military Commission Vice Chairman Zhang Youxia has been arrested. All the nations must be liberated from satanic forces. Even here in the U.S., the Left is trying to start a civil war. These are demonic forces working through the [people who disrupted the church service in Minnesota](#). Satan is an accuser.

Ask people, "what if there was a way?" We have such a diverse congregation, most international and interracial. His son's daughter meditated for one hour! Meditation has many benefits. You're not going to catch any fish unless you put a hook in the water. There's nothing better than helping another person become liberated, debt-free.

Then Gregg Noll reported on the new www.2ndAdvent.org website. It is intended for the entire world so people can come to know about True Father.

The Unification Sanctuary in the U.S.A. has just launched a new website called 2ndADVENT.org which discusses the transformative life, teachings and accomplishments of Rev. Sun Myung Moon. The site also includes prophecies and testimonies of early disciples. Looking forward to hearing your response!

May God bless you and your families!

Sincerely,

Richard
