

Did the Chinese Know About Jesus' Death?

For we know that the law is spiritual, but I am of the flesh, sold under sin. "I do not ask for these only, but also for those who will believe in me through their word, that they may all be one, just as you, Father, are in me, and I in you, that they also may be in us, so that the world may believe that you have sent me. The glory that you have given me I have given to them, that they may be one even as we are one, I in them and you in me, that they may become perfectly one, so that the world may know that you sent me and loved them even as you loved me. Father, I desire that they also, whom you have given me, may be with me where I am, to see my glory that you have given me because you loved me before the foundation of the world. O righteous Father, even though the world does not know you, I know you, and these know that you have sent me. I made known to them your name, and I will continue to make it known, that the love with which you have loved me may be in them, and I in them." John 17:20-26

*If you sit around saying, "Now it's all over! I've gotten blessed! If I just sit quiet, I will enter the Kingdom of Heaven!" you will be utterly destroyed. Usually, people say that if you believe in a particular religion, you will go to Heaven or Paradise. However, Heaven is the place only for God's children, whose mind and body have become one, centered on God's love. **SMM, The Place of Receiving the Blessing Is Not a Complete One, Feb 6, 2003***

Hello,

I, Richard Panzer, gave the sermon on Sunday. We know that True Father said there was a foundation to receive Jesus in the East, so when our brother Lee Titus shared this fascinating video, I thought it would be worth showing it. The video deals with the question, "[Is it possible that Jesus' death was officially recorded by ancient Chinese emperors - 4,300 miles away?](#)"

[Sanctuary Service 2/1/2026](#)

A secret letter said to be written by top Chinese general Zhang Youxia before his arrest was released to Chinese media outside China. It's doubtful he actually wrote this letter, but it does refer to a higher or "divine" order that even the Chinese Communist Party should respect.

I then shared part of a speech that Father gave in 2003, starting with this:

*The God that I have been teaching about is not just some vague or obscure God. From the time I first experienced God at the age of 16, when I was worrying about the meaning of life and the universe, I have lived my whole life in communication with God. The driving force which has preserved my life of suffering, during which I have touched the boundary between life and death, is the living God's promise and my absolute faith. **SMM, The Place of Receiving the Blessing Is Not a Complete One, Feb 6, 2003***

Notice that Father says that "the driving force for his life **is the living God's promise and his absolute faith.**" So what do we need to remember? The living God's promise and having absolute faith in that.

[After Death, He Encountered Jesus and True Father- Doug Williams](#)

*I searched every corner of the spiritual world. I met the five great holy men and many other saints and sages, and I received their official recognition of my mission. Ladies and Gentlemen! **God is the most decent and modest being**, and He is the True Parent of humankind. He is the origin of all our lives, and **He is the being with whom all people must establish a relationship**. Also, the one thing that you all must know clearly is that **the spiritual world**, the world that we must all someday go to, does exist. You must not doubt the existence of the spiritual world or have some vague belief in God.*

I've never seen any theologian describe God as the **most decent and modest being**. They usually emphasize his power and authority. *I've always struggled with Jesus' words in Matthew 5:48 where he says we must be perfect, as God is perfect*, so I looked up the meaning of the Greek word for "**Perfect**" (τέλειοι - *teleioi*). It denotes reaching a goal, being complete, or being mature (fully developed), rather than solely meaning "sinless" or "flawless". The key message is: **You're kingdom subjects. Now live like it. Live out your God-created identity.**"

Father then explained the 3 reasons he hosted many science conferences:

*Firstly, that although each religion has its own special and unique character, **there are actually many more points in common between religions**.*

*Secondly, **the conflict and disharmony that exist between religions** is due to the narrow-mindedness of the believers themselves, and it is absolutely not the will of the absolute being. Thirdly, **God desires the realization of true love rather than any emphasis on belief or ceremony**.*

Father's main focus was not on debating theology. When Father spoke to Grand Mufti of Syria starting in 1989 and going on for a decade, he didn't debate with them about theology, even though he knew about the shortcomings of Mohammed and his teachings. He spoke to them about "True Islam." He found something good in their religion and challenged them to rise to God's expectation at this time.

Father then clarified the meaning of the Blessing:

*If you sit around saying, "Now it's all over! I've gotten blessed! If I just sit quiet, I will enter the Kingdom of Heaven!" you will be utterly destroyed. Usually, people say that if you believe in a particular religion, you will go to Heaven or Paradise. However, **Heaven is the place only for God's children, whose mind and body have become one, centered on God's love.***

I remember when well-known religious leaders like Jerry Falwell were visiting True Father in Danbury prison. I'm sure most of them were upset and

apologetic for America imprisoning him. But I know Father didn't want to waste time receiving their pity or to debate theology. I'm sure he was challenging them to do more to save America and the world. I'm sure they walked out of the room with an "attitude adjustment!" and an assignment from Rev. Moon!

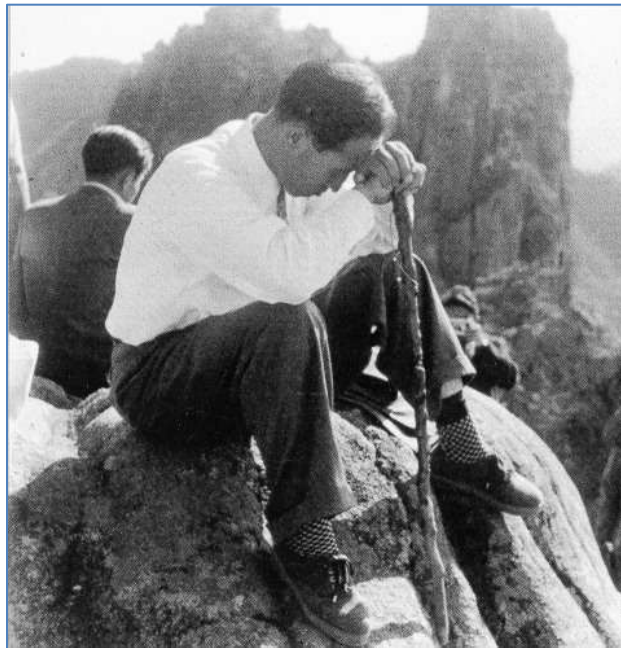

I then shared a segment from a speech Father gave in 1991:

If you are in complete accord with truth and justice, then heavenly fortune will protect you completely. Heavenly fortune will strike any power that opposes you. Hence, if I truly become an object partner to God and dwell in a place of complete harmony with Him, then even a country such as America, or even the Soviet Union, will be struck down if it opposes me. It is because I understand the principle that I can be so bold. SMM, 214:194, February 2, 1991

Father said this around the time that the Soviet Union was dissolved. 3 years earlier, on April 12, 1988, a state trooper noticed something funny about a car parked at a rest stop at the New Jersey Turnpike, found firearms and explosives, and arrested an operative of the Japanese Red Army who they found out was on his way to blow up True Father's summer residence. This and other situations showed the reality that God was protecting his life!

Father's courageous stand against corruption and tyranny reminds me of someone we all know who went to Asia at the very time people were worrying about an invasion from mainland China! I then invited my wife Miho to share a testimony about **"True Father was a Man of Prayer!"**

"True Father was a Man of Prayer!"

by Miho Panzer

I saw with my own eyes that True Father was a man of prayer. He always prayed after midnight, to start the new day with God. Then, after a few hours of sleep, he would wake up earlier than anyone else, often around 3am. He said that it was the best time to talk to God.

Often he went outside to pray, even when it was a very cold morning, even freezing, he would climb up to the Holy Ground, which overlooked the Hudson River, to pray. Even if the wind was blowing strongly, but he didn't mind. I saw his tears would freeze on his cheeks. Even if his nose was running, and it would freeze on his face. He didn't care. God knows the effort he made to pray for America.

As you know, during 40 years of ministry in the U.S., Father made many speaking tours, such as the *Day of Hope* and *God's Hope for America* festivals. His speaking schedule was non-stop, almost every day in a different state. I was part of a performing arts group that traveled with him on the tour, so I know! After a speaking and festival event, we often drove all night to get to the next state so Father could meet with important leaders and give God's message to them. He prayed for world peace to come quickly and for God to bless America. He put his life on the line to save this nation, and the world.

It was my honor to spend many years with Father's family at East Garden, so I know. I saw with my own eyes that True Father was and is the most holy person. I could see that God was with him all the time. He did everything possible to save this nation and this world. Even now, I believe he is working night and day in the spirit world to guide our 2nd King and Queen, all of us, and people looking for truth, to build God's Kingdom on earth. Father, we love you!

The Unification Sanctuary in the U.S.A. has just launched a new website called 2ndADVENT.org which discusses the transformative life, teachings and accomplishments of Rev. Sun Myung Moon. The site also includes prophecies and testimonies of early disciples. Looking forward to hearing your response!

May God bless you and your families!

Sincerely,

Richard
