**Any Job is Worth Doing Well!**

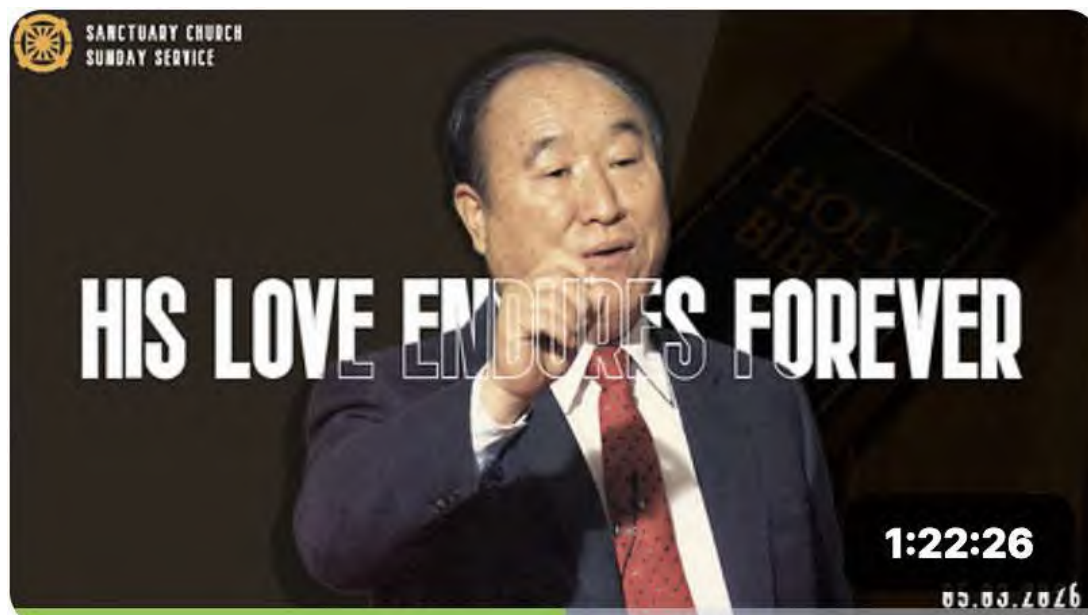

*Give thanks to the Lord, for he is good, for his steadfast love endures forever. Give thanks to the God of gods, for his steadfast love endures forever. Give thanks to the Lord of lords, for his steadfast love endures forever; to him who alone does great wonders, for his steadfast love endures forever; to him who by understanding made the heavens, for his steadfast love endures forever; to him who spread out the earth above the waters, for his steadfast love endures forever; to him who made the great lights, for his steadfast love endures forever; the sun to rule over the day, for his steadfast love endures forever; the moon and stars to rule over the night, for his steadfast love endures forever; to him who struck down the firstborn of Egypt, for his steadfast love endures forever; and brought Israel out from among them, for his steadfast love endures forever; with a strong hand and an outstretched arm, for his steadfast love endures forever. Psalm 136:1-12*

*When you go back to your hometown, what is it you will be most proud of and want to show our parents? You will take pride in how well you raised your children. It is the same in the spirit world. When you go before God, there is no greater gift than bringing God's children, the people of heaven whom you have raised on this earth. Money, power, and knowledge are not important. CSG 805*

**Hello,**

Tennessee Sanctuary Pastor Regis Hanna started his sermon by talking about the recent Politburo meeting in China to discuss a new economic plan to create giant infrastructure projects. Except they don't need more airports. They already have entire empty cities where no one lives. Their population is declining due to the effects of their one child policy.

He then spoke about how we are all called to exercise leadership in our lives.

1. We are called to be a king and a priest in your family, which is a training ground for your children. Leaders of trust and integrity are rare, who are effective that you can admire.

2. If you have leadership qualities, you will be successful.
3. What can we give back to God, to be the best father and spouse? The questions we ask are as important as what we say.
4. Regis' father told him that any job is worth doing well, whether others are looking or not.

He then spoke about the **7 core competencies** a leader must have.

#### **1. Keen, strategic mind: plans, ideas**

Biblical examples include Abraham, Rebecca, Tamar who implemented plans even when no one else understood. if you don't those qualities, learn from someone who does. Have a 5 year goal.

#### **2. Humble, teachable mind/spirit**

Abram willing to be led by God.

Moses willing to obey God's instructions to return to Egypt.

some people have a mind that's so full they can't learn new things.

### 3. Integrity and emotional maturity

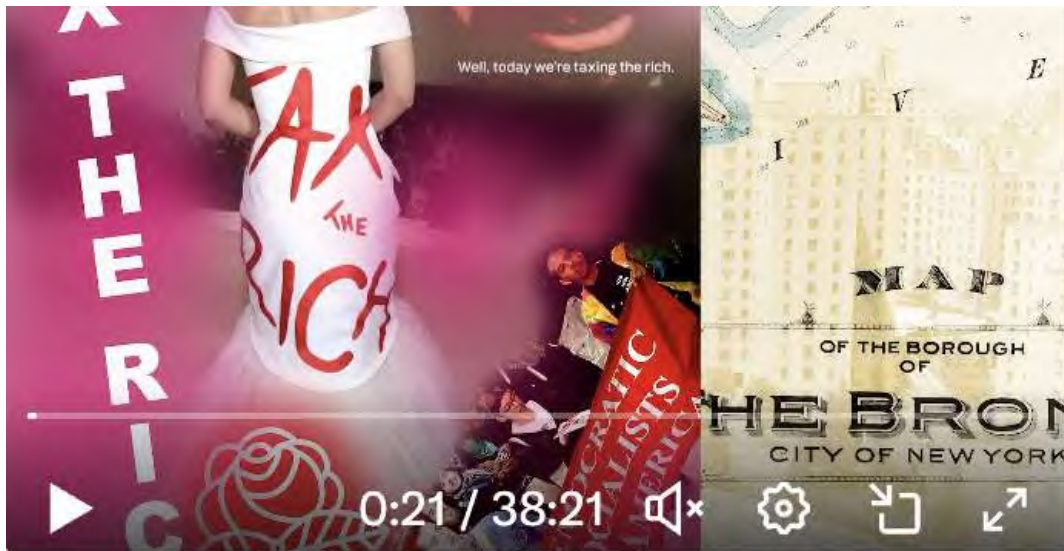

Judah made a mistake in not giving his third son to Tamar. How did he respond when he was accused of an immoral act? He could have buried the evidence. He had a conscience and maturity. David was willing to admit his sin with Bathsheba. Men should be willing to accept wife's input because you're a team.

The industrialist Andrew Carnegie once asked to put on his tombstone, "here lies a man whose only talent was to surround himself with men smarter than himself." He gave away most of his wealth before he died.

4. **Entrepreneurial instincts (builder)**- a problem is not a problem. It is an opportunity. In ministry, invest in people, supporting and coaching them. book called "Your arms are too short to box with God." God sees us differently than we see ourselves.

5. **Keep a high standard** to attract others with a high standard. Hyung Jin Nim learned from other accomplished people through The King's Report.

6. **Achiever:** focused on results (you're not competing with anyone else except yourself)

7. **Ability to attract and inspire others.**

In Tennessee, the Sanctuary community is working to create a leadership pipeline.
