## INTERNSHIPS

Internships at Barrytown combine practical work experience with professional and spiritual development. Here's what some of the Fall 2012 Interns had to say:

*"Thank you very much for the opportunity to be a part of the first stages of Barrytown College. I learned so much about work, about personal development, and about myself."*

*The education "clarified fundamental aspects of relationships and presented ideas in a new way that gave me a deeper understanding about communication and relationships."*

*The Resume Workshop "forced me to sit down, think, and write my own resume. I think most everybody should have a similar class."*
