THE UNIFICATION THEOLOGICAL SEMINARY IS CONDUCTING A REVIEW OF ITS CURRENT MISSION STATEMENT! Your comments in an online survey will help us to know the views of the many different stakeholders who care about the past, present and future of UTS/Barrytown. UTS concluded the sale of 2 acres of riverfront property last Monday. Proceeds from the sale will allow us to launch upgrades of the east wing of the main building where the Barrytown College dorms and classrooms are located. These upgrades include:

Planned New Entrance to Barrytown College of UTS

- * Replacing windows on east side of main building with new energy-efficient ones,
- * Repaving the road from the entrance road that goes along the soccer field,
- * New carpeting of east side hallways and other interior improvements,
- * Building a new entrance to the college on the east side of the main building facing the soccer field.

If you would like to become a co-creator in this historic new stage of development at UTS, please join with us by [becoming a donor to UTS/Barrytown College!](#)
