Greetings!

The Sanctuary Church received a notification today from the YouTube Legal Support Team that HSAUWC lawyers have filed a trademark complaint against Hyung Jin Nim's videos on YouTube. The complaint is that the videos display the "12 Gate symbol." The intention is to force the removal of all of Hyung Jin Nim's sermons from the Internet.

Another sad example of HAS-UWC's contempt for free speech. Having failed to silence Hyung Jin Nim through firing him from the position to which he was appointed three times by True Parents, HSAUWC's leaders now utilize legal tactics so that no one throughout the world will be able to watch his sermons on the Internet.

Whether you are a supporter of Hyung Jin Nim's efforts to prevent the removal of True Father's words, covenants and authority, *or you disagree with him*, I hope that you agree that freedom of conscience and freedom of speech are important principles that should be part of Cheong Il Guk.

I invite you to contact the leaders of HSAUWC to express your views about this legal action and to let me know of your views as well.
