"God is not necessary, Parents are not necessary. The first son is not necessary, and the third son is not necessary, but the youngest son is necessary even for True Mother, who is Hyung Jin. Also Kook Jin is necessary too. Two sons."

On September 14, lawyers for HSA-UWC/FFWPU continued its strategy for treating Father's precious words as "their property" by filing a trademark registration for the words, "Cheon Il Guk," revealing once again the disturbing nature of the Family Federation's quest to use its millions to have government agencies enforce its "monopoly" of the Lord of the Second Advent's words in order to prevent his youngest son from being able to discuss his Father's teachings!

Readers will remember that in the beginning of August, HSA/FFWP used its copyright of the "Unification 12 Gate Symbol" to shut down the Sanctuary Youtube channel, preventing brothers and sisters around the world from being able to see the sermon videos.

(All of the videos can now be viewed at [vimeo.com/wpus](http://vimeo.com/wpus) and the "[Persecuted Sanctuary Church](#)" channel on [Youtube](#).)

In [Sunday's sermon](#) Hyung Jin Nim used this situation as a "teachable moment" to analyze different aspects of the Family Federation's CIG Constitution, in which all departments of government can be investigated for wrong-doing, except for the Supreme Council, where ultimate authority resides, particularly after Mother passes to the next world.

Hyung Jin Nim explains that since God gives all of us freedom and responsibility, a true CIG constitution should require transparency and accountability for all of its citizens.

In the midst of conflicting claims by the Family Federation and by supporters of the Unification Sanctuary, **I would like to propose a public forum in the NY/NJ area. Dr. Wilson, Dr. Balcomb, or anyone the Family Federation chooses could speak first** about Mother's new theological innovations and why they believe these deserve our support. I would follow with a statement about Hyung Jin Nim's concerns, and then we could have Q&A. **We could have a lively, but respectful, discussion about how to preserve True Father's real legacy to which many of us have given many decades of our lives. What do you think?**

May God bless you and your families!
