Cheon Il Guk, the Kingdom of God, a sovereign and actual nation does not yet exist in this world, but is the long awaited culmination of the End of Time as prophesied in Biblical Scripture. The Divine Principle and the Eight Great Textbook Curriculum revealed by True Father, Christ at His Second Coming, is the spiritual foundation of this Constitution. It is upon the foundation of these eternal truths that the future nation of Cheon Il Guk will be politically, and legally established. This Constitution is not an ecclesiastical Constitution of a church or religious body, but is a Constitution for a real and sovereign, future nation, being the literal fruit of God's Providence.

Preamble to Constitution of the United States of Cheon Il Guk

Greetings!

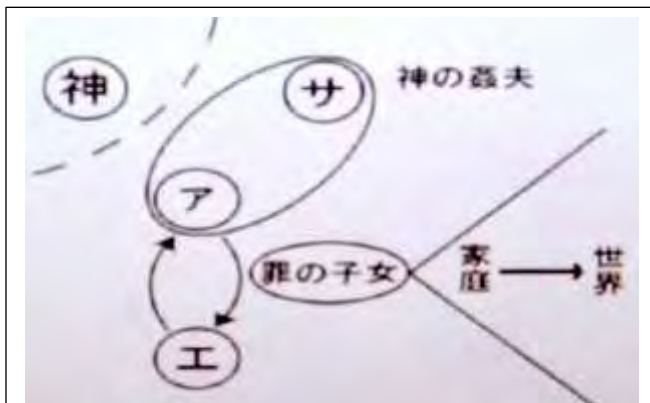

I have reluctantly concluded that in order to preserve my deep-seated belief of 4 decades that "True Parents are One," I must honor Mother's theological declarations, as difficult as they are to accept. In order to truly honor those I must discard my old Divine Principle book, which I now realize has so many mistakes that Father did not notice during his lifetime. It is painful to even write these words, but to think that "True Parents are no longer one" is something I just cannot deal with.

NEW FFWP TRINITY

New Trinity described in "CIG 2nd Year (2014) Mandatory Material for Church Leaders/Pastors"

I realize that I must accept Mother's statement of [July 1, 2014](#) that she was born sinless (change of lineage in her mother's womb) and therefore did not really need to meet Father as the returning Christ. I must accept the new trinity and the new 4 position foundation printed in the leadership training material in 2014 and also taught at an **international training conference at Je Ju Do just a few months ago (2015) showing that "Adam fell with Satan, gives and receives with Eve, and the sinful children emerge."**

Adam falls w/Satan, Je Ju Do workshop 2015

I also realize that the Genesis account about Eve "eating the fruit of the Tree of the Knowledge of Good and Evil" is also mistaken, likely because it was written by men who had a gender bias. I am hopeful that the Family Federation will soon support the creation of a new Bible that corrects this error.

I will try to persuade Hyung Jin Nim about this new clarification of the Principle, but as you know he is **very** stubborn. How stubborn? Let me give you a partial list.

* He stubbornly refuses to accept the new

Divine Principle being revealed by Mother, which exposes how Father failed to acknowledge Mother's sinless lineage and also his misunderstanding of the Fall.

* He stubbornly thinks he should remain faithful to his Father's original words, even though those words were often harsh and blunt. How blunt? Here is an example: "Mother came from the lineage of the fallen archangel. To do this I had go forward with absolute faith, absolute love, and absolute obedience. Therefore, I came this far with that kind of belief and faith. Since she came from the fallen lineage I had to go completely the opposite way of the universe. I had to deny everything." 10/1/2003 HDK, <http://www.tparents.org/moon-talks/sunmyungmoon03/SM031001a.htm>

* He stubbornly refuses to pray to Father/Mother God or even Heavenly Parent(s);

* He stubbornly continues to think it's unfair for Japanese brothers and sisters to be required to pay 100 TIMES more for the 3 new scriptures issued by Family Federation than American brothers and sisters;

* He stubbornly considers the ongoing exploitation of Japanese brothers and sisters to be a sin against God;

* He stubbornly refuses to encourage brothers and sisters to send more funds to Cheongpyeong despite Mother's direction that ALL of us need to liberate 420 generations of ancestors, not just 210 generations

as Father directed;

* He stubbornly believes that the children of God and citizens of Cheon Il Guk should have a [bill of rights](#) that protects their God-given rights;

* He stubbornly believes that governments should be the servant of the people, and not their master, and that therefore checks and balances as well as division of powers are needed as described in the error-filled Divine Principle;

* He stubbornly continues to believe what his Father/True Parents *said about him* in 2008, 2009, 2010, 2011 and 2012, that he is the "successor/heir/resident body of True Parents."

It is *very, very* regrettable, but seeing how stubborn his Father was and is, I am not surprised. If you want to see just how stubborn, absolute and unchanging he is, his latest sermon is a good example. But I will try my best, I promise...

Rev. Hyung Jin Moon Will Conduct a Ceremony for the Liberation of 210 Generations of Ancestors

This ceremony will be held on December 6, 2015 at Sanctuary Church, Newfoundland, PA. On September 13, 2015, during his Sunday sermon, Rev. Hyung Jin Moon declared that he will conduct a ceremony for the liberation of 210 generations of ancestors for any individuals requesting that. Pastor Hyung Jin Moon also explained that all liberations conducted while True Father (Rev. Sun Myung Moon) was alive are considered valid and that those conducted after his father's passing were invalid.
