Unto thee will I cry, O Lord my rock; be not silent to me: lest, if thou be silent to me, I become like them that go down into the pit. Hear the voice of my supplications, when I cry unto thee, when I lift up my hands toward thy holy oracle. Draw me not away with the wicked, and with the workers of iniquity, which speak peace to their neighbors, but mischief is in their hearts. Give them according to their deeds, and according to the wickedness of their endeavors; give them after the work of their hands; render to them their desert. Because they regard not the works of the Lord, nor the operation of their hands, he shall destroy them, and not build them up. Blessed be the Lord, because he hath heard the voice of my supplications. Psalms 28:1-6

In order to accomplish your portion of responsibility, what should you do? What should you do to become people who can fulfill their portion of responsibility? You should stand in a position to deny everything that was born from the emotional connection to and lineage of Satan. CSG p. 563

Greetings!

In this [sermon](#) on "Freedom and Responsibility" Hyung Jin Nim explores how the original fight for women's equality and right to vote has been co-opted by a Radical Feminism which portrays women as helpless victims oppressed by a "patriarchy," posing ever increasing government as the solution to problems it has enabled.

[Are women in America "oppressed" by a patriarchy?](#) Hyung Jin Nim examines the evidence:

* Children have an 8 times greater risk to be beaten or abused in single mother families;

* Since women live 5 years longer than men, they receive 5 years more social security benefits, even though men pay 60% of social security taxes;

* Men pay 63% of Medicare taxes, but receive 44% of Medicare health care benefits;

* 75% of chronic homeless are men;

* 77% of homicide victims are men;

* 97% of American combat deaths are men;

* 79% of suicides are by men;

* Criminal sentencing for men is 63% greater for the same crimes and history;

* Women are twice as likely to avoid incarceration for the same crimes;

* 6 in 10 college students are women;

* Research on STEM (Science/Technology/Engineering/Math) field employment found that [female applicants were twice as likely to be hired](#).

These are hardly evidence that women are being oppressed by men. *Most men, especially those who are married husbands, are working hard to support, protect and take care of their families and communities.*

Hyung Jin Nim also discussed how [feminist bias in family courts](#) in the U.S., the UK and other western democracies has led to a presumption that fathers are always guilty of abuse. Far from being patriarchies, these countries have become government-enforced matriarchies which justify their bias by anti-male social conditioning, which unfortunately aligns with the new theology coming from the current FFWPU.

Yeonah Nim shared that the Divine Principle teaching that Eve was the first to fall is an expression of *God's love for women*. Since criminals, as cowards, will always choose the weaker target, Lucifer naturally manipulated and targeted Eve first. Instead of blaming men for their problems, "true women" are empowered through their Savior, Christ, who comes as the True Adam, and who transforms men from abusive, self-seeking archangels into sons of God.

[Truth and Evidence](#) is a video compilation of key statements from Father's words, Mother's new proclamations and Hyung Jin Nim's sermons that explains the current situation of the Unification Movement. Well worth watching.

If you haven't done so, I'd urge you to read two brilliant essays which explore Mother's recent proclamations, "[Cherishing God's Lineage](#)," by Masako Ando, and "[Letter to Andrew Wilson - Response to 'Only-Begotten Daughter'](#)" by Kerry Williams

Both are also posted on the [Sanctuary Commentary page](#).

Rev. Hyung Jin Moon Will Conduct a [Ceremony](#) for the Liberation of 210 Generations of Ancestors

This ceremony will be held on December 6, 2015 at Sanctuary Church, Newfoundland, PA. On September 13, 2015, during his Sunday sermon, Rev. Hyung Jin Moon declared that he will conduct a ceremony for the liberation of 210 generations of ancestors for any individuals requesting that. Pastor Hyung Jin Moon also explained that all liberations conducted while True Father (Rev. Sun Myung Moon) was alive are considered valid and that those conducted after his father's passing were invalid.

Those who were blessed after Father's Seonghwa or who received Holy Wine at Foundation Day would need to receive the Blessing to Return to True Father's Authority in order to have their ancestors liberated.

May God bless you and your families!

Sincerely,

Richard
