

God - Not a Genie in a Bottle

"It is not just I but you also who should be true parents. You should all become that. I have become a large tree, but just as cells multiply, you should be like cells. You are all seeds taking after me as the large tree. You resemble the root." CSG, p. 2498, (259-318, 1994, 4.24)

"Mother came from the lineage of the fallen archangel. To do this I had to go forward with Absolute Faith, Absolute Love and Absolute Obedience. Therefore I came this far with that kind of belief and faith. Since she came from the fallen lineage I had to go completely the opposite way of the universe. I had to deny everything."

"I will bless the Lord at all times: his praise shall continually be in my mouth." Psalm 34

Greetings!

In [Sunday's spirit-filled service](#), Hyung Jin Nim explored the differences between following a religious hierarchy and developing a personal relationship with our Creator. God is not a "genie in a bottle" who produces instant results upon command. Think of beginning mixed martial arts students who are wise to approach an elder master practitioner with respect and humility rather than an demanding, arrogant approach lest getting the ***** beat out of them!

How do we really know what God is guiding us to do? It's very important to confirm our intuitions by going to the Word and getting a "rhema" or God's word of guidance for a time of "battle."

The name of Buddha, Confucius or other spiritual founders do not usually make people angry, but the names of Jesus or Sun Myung Moon are instantly polarizing. Towards the end of his life, Father revealed that he came from the "God of Night," who existed before creation of the universe, whereas others come from the "God of Day," after the creation. In this sense, Father and Jesus were fundamentally different from all other human beings since they are united with the original essence of God.

Important Announcement:

All "blessing ceremonies" held by the Family Federation after Father's Seonghwa were not performed in unity with True Father's Blessing Covenant. Feb. 22, 2013, which the Family Federation celebrates as "Foundation Day" was a day when Hak Ja Han disunited with True Father by abandoning the Blessing Covenant that he sacrificed for and purchased with his own blood. The blessing offered that day was not performed in unity with Father, or with his three times crowned heir and "representative body," Hyung Jin Nim. Click here to view the video: <https://vimeo.com/wpus/transfer-of-authority>

For that reason, the blessing given that day did not bring any of the couples into the new lineage

established by Father. In effect, the Blessed Central Families who participated in that blessing were deceived into placing themselves under a covenant outside of the lineage established by True Father which is God's one true lineage.

First Generation couples who receive the Holy Blessing for Returning to True Father's Authority through the couple anointed by True Parents, Hyung Jin Nim and Yeonah Nim, in order to reverse the false "Foundation Day Blessing" of February 23, 2013, or reverse the false "Holy Wine" associated with this Blessing, are currently not asked to go through the 40-day separation and 3-day ceremony afterwards.

This will change after the February 13, 2016 Sanctuary Blessing. After that date, First Generation couples will still be able to return to True Father's authority, but only on the condition that they perform the 40-separation and 3-day ceremony following the Blessing.

Since the instruction in 2013 was for all Blessed Couples to take this "Holy Wine" and participate in the false "Foundation Day Blessing", we anticipate that the February 13, 2016 deadline will apply to almost all First Generation couples around the world.

The situation is also particularly tragic for blessed children who succeeded in preserving their purity only to be defrauded by starting families without receiving God's Holy Marriage Blessing. They are victims, and that is the reason Hyung Jin Nim is willing to pay indemnity on their behalf so that they may retain their 2nd generation status and their children born after Feb. 22, 2013 may retain their 3rd generation status. To take advantage of this special forgiveness, blessed children need to receive the Holy Marriage Blessing for Returning to True Father's Authority by February 13, 2016.

Please help us get this information out to all Blessed Central Families around the world as quickly as possible. Tel: 570-832-4476
