Let not your hearts be troubled; believe in God, believe also in me. In my Father's house are many rooms; if it were not so, would I have told you that I go to prepare a place for you? And when I go and prepare a place for you, I will come again and will take you to myself, that where I am you be also. John 14: 1-3

Hoon Dok Hae is my way of passing along all the treasure boxes I accumulated in my life under the indescribable hardships undertaken for the nation. I am giving it to everyone without exception. CSG 1092 (290-29, 1998.3.2)

Greetings!

Before I share my video response to Tyler Hendricks' lecture series, I want to draw your attention to [Sunday's spirit-filled, art-filled and mind-filled worship service](#), Hyung Jin discussed how we are living

in the age of relativism. Relativists say we must not make any absolute claims, but of course are making an absolute claim themselves. They use the analogy of blind people touching different parts of an elephant, but assume that THEY can see the whole elephant themselves.

Ji-yea Nim's praise dance based on Amos 9

Contemporary leftists demonize evangelical Christian culture, but are strangely silent about the violation of women's rights in Islamic nations and in Sharia Law, as well as the intimidation of moderate Muslims who are trying to reform Islam. **But when you get rid of good men, evil men will come and take their place.** Liberal culture hates that God has subjectivity, that Christian men have subjectivity. When we leave the love of the Father, all hell breaks loose. Leftists actually welcome the outnumbering of Europeans by migrants from North Africa and Islamic countries even though Europeans' inability to assimilate large numbers of

immigrants will lead to the death of their own liberal culture and values.

Yeonah Nim discussing Martha Tashiro's painting based on Psalms 30

In addition to Martha Tashiro's Biblically inspired painting, Ji-yea Nim offered a beautiful, spirit-filled dance. Hyung Jin Nim

explained that art must be brought under the authority of God. Secular art which is merely self-expression leads to self-worship and ultimately to corrupted values and "bad sex." In contrast, art of worship celebrates God, his love and sacrifice.

Here is **My Answer to Tyler Hendricks'** lecture series on the "The Victorious Gospel of True Parents."

Important Announcement:

All "blessing ceremonies" held by the Family Federation after Father's Seonghwa were not performed in unity with True Father's Blessing Covenant. Feb. 22, 2013, which the Family Federation celebrates as "Foundation Day" was a day when Hak Ja Han disunited with True Father by abandoning the Blessing Covenant that he sacrificed for and purchased with his own blood. The blessing offered that day was not performed in unity with Father, or with his three times crowned heir and "representative body," Hyung Jin Nim. Click here to view the video: <https://vimeo.com/wpus/transfer-of-authority>

For that reason, the blessing given that day did not bring any of the couples into the new lineage established by Father. In effect, the Blessed Central Families who participated in that blessing were deceived into placing themselves under a covenant outside of the lineage established by True Father which is God's one true lineage.

First Generation couples who receive the Holy Blessing for Returning to True Father's Authority through the couple anointed by True Parents, Hyung Jin Nim and Yeonah Nim, in order to reverse the false "Foundation Day Blessing" of February 23, 2013, or reverse the false "Holy Wine" associated with this Blessing, are currently not asked to go through the 40-day separation and 3-day ceremony afterwards.

This will change after the February 13, 2016 Sanctuary Blessing. After that date, First Generation couples will still be able to return to True Father's authority, but only on the condition that they perform the 40-separation and 3-day ceremony following the Blessing.

Since the instruction in 2013 was for all Blessed Couples to take this "Holy Wine" and participate in the false "Foundation Day Blessing", we anticipate that the February 13, 2016 deadline will apply to almost all First Generation couples around the world.

The situation is also particularly tragic for blessed children who succeeded in preserving their purity only to be defrauded by starting families without receiving God's Holy Marriage Blessing. They are victims, and that is the reason Hyung Jin Nim is willing to pay indemnity on their behalf so that they may retain their 2nd generation status and their children born after Feb. 22, 2013 may retain their 3rd generation status. To take advantage of this special forgiveness, blessed children need to receive the Holy Marriage Blessing for Returning to True Father's Authority by February 13, 2016.

Please help us get this information out to all Blessed Central Families around the world as quickly as possible. Tel: 570-832-4476
