*And when Jesus heard it, he said to him, "One thing you still lack. Sell all that you have and distribute to the poor, and you will have treasure in heaven; and come, follow me." But when he heard this he became sad, for he was very rich. 24 Jesus looking at him said, "How hard it is for those who have riches to enter the kingdom of God! For it is easier for a camel to go through the eye of a needle than for a rich man to enter the kingdom of God. Luke 18: 22-25*

*You should not be doing anything other than finding sons and daughters whom you can take with you to heaven. Even if you had hundreds of millions of dollars and lived richly, all that would pass away. Do it even to the point of investing all your materials, knowledge, and your very lives. Invest them all at one time, not separately, to create heavenly citizens. CSG 596*

Greetings!,

In Hyung Jin Nim's service on "Kingdom Riches" he explained that the Founding Fathers had to risk their lives, their treasure and their honor. Trump had to risk all of these as well. Had he lost, as most expected, his "brand" would be destroyed.

At the Cheong Pyeong palace Hyung Jin Nim had control of \$2 billion in assets. Kook Jin Nim controlled \$1 billion in church businesses. They had to choose between those things and honoring Father's words and legacy. "Even though we loved Mother as our mother, we could not cooperate in erasing Father," and creating another 'state' religion like the Judaism that betrayed Jesus, or the state church adopted several centuries later. Many Family Fed leaders urged the brothers to keep their mouths shut and go along with desecrating Father.

All Abels are given a test. As Jesus explained in Luke 18: 22-25, they must be willing to risk or give up all of their wealth and social status. "I told Mother the truth because I love her. She has committed crimes against humanity. People are put in prison for desecrating national treasures. The Messiah's words are far more valuable than those. Breaking the heavenly law must be denounced and yes, punished. She usurped the throne. In Great Britain if you did that, you would be locked up or even beheaded." He had true compassion and told his mother not to do such a terrible cosmic crime, but he was denounced as unfilial. An inversion of reality.

Fortunately we are to be guided by the Cheon Il Guk constitution which protects us from arbitrary control or violence from the state or any other, with citizen's rights protected by due process. The nation of Cheon Il Guk is not a theocratic state like Iran. It is a nation where people are free to build or not build their relationship with God, where citizens are judged not by the state, but prosper or suffer in life according to their own choices and actions.

Many FFWPU leaders supported Hilary. They want to be part of the establishment. We should surrender only to Christ, not the fallen culture. A man dressed as a woman is still a man, although a mentally ill one. Tyrants have always been afraid of strong men.

Girls are tempted to fall for sweet lies which sooner or later leave them lonely and bitter. The fallen world offers an inversion of reality. From birth, boys are called to be a man and girls are called to be a woman. Men, unlock the epigenetics of your manhood! Feminized men are unhappy and unattractive to the opposite sex. That is why some turn to harsh religions which sanction harsh oppression and violence against women.

But Christian men do not want to kill women. They are not permitted to beat them with a whip or to rape their wives. Instead, they are called to sacrifice for their families. Wives must in turn respect their husbands. God gives both genders unique responsibilities.

*Fallen Culture's Definition of "Fun"*

The mainstream media perpetuates a false reality. The Ford and Rockefeller foundations funded women's studies departments which indoctrinate women to give their bodies to men who don't care about them. Single women vote for government socialism, whose advocates repeat slogans like "love trumps hate" even as hired thugs vandalize cars with Trump stickers, riot and block the traffic of hardworking citizens who have to go to work everyday.

Girls, don't devalue yourself by sleeping around. Christ gave his life for you. What are you doing? With the coming prosperity there is the risk of becoming lazy. After entering Canaan, the Israelites were tempted by paganism and buckled to social pressure. We need to repent, and return to the God who created us to be Kings and Queens. Girls, get naked for your husband, not for drunken losers who want to use you and throw you out! Give your children the gift of a powerful husband-wife sexual relationship to emulate!
