Richard, as a scholar, you should not multiply content that purposely misinterprets for the sake of advancing your cause.

Case in point, your citation of John Clark's essay this week (Oct 10, 2017), and John's essay itself. John cherry picks a couple of Mrs. Eu's sentences that make True Mother look bad, and fails to present the context, in which Mrs. Eu praises True Mother and tells us that we go to True Father through True Mother.

This is an amazingly rich passage, and John's citation does such a disservice to Mrs. Eu and to the members who read your publicity. John, and you, really should publish an apology to Mrs. Eu.

Email from a UTS professor received on 10/10/2017

Dear

Since I believe in admitting my errors, in response to the above email from a UTS professor urging me to publish an apology, I have decided to do so.

My Apology to Mrs. Eu

Dear Mrs. Eu,

A UTS professor urged me to publish an apology for sending out an email that "purposely misinterprets" and "cherry picks" from your description of Hak Ja Han in your book [A Testimony to God's Word in Regard to Divine Principle](#) (selection printed below). I have decided to do so.

First, in your description, you stated

"Mother is educated by our great Father," and

"I witnessed Father educating Mother about the providence of God very seriously. Father said that, in hindsight, educating Mother was most the difficult thing. His ordeals of receiving tortures were easy compared to the pain he had to endure while teaching Mother."

I would like to apologize for not acknowledging your courage in pointing out MOTHER HAN WAS EDUCATED BY TRUE FATHER, SOMETHING THAT NO UTS PROFESSOR or FFWPU LEADER IS CURRENTLY WILLING TO ADMIT in the face of Hak Ja Han's denials that she received any education from True Father.

Second, I would like to apologize for not acknowledging your courage in pointing out that the TRUE NATURE OF THE RELATIONSHIP BETWEEN TRUE FATHER AND HAK JA HAN WAS THAT OF SUBJECT AND OBJECT, or as you describe it,

"Father was God's masterpiece and in turn Mother was Father's masterpiece. So if Father is the sun, Mother is the moon."

You go on to state that, ***"We can't look straight into the sun. However, we can look straight into the moon. When it's a full moon, looking at the moon brings us joy and a sense of refreshment. That is why, if we are to go to God, we must go to Father through Mother, and then to God through Father."***

I am sorry to report that Mother Han no longer leads members to True Father. Hak Ja Han seldom mentions True Father in her speeches after his Seonghwa. When she does manage to mention his name, it is often to point out that while he was born with sin, she was born sinless.

In her recent speech at Madison Square Garden, she stated that the UN Forces under General MacArthur came to Korea in 1950 to save her as the Only Begotten Daughter. It is shocking that nowhere did she mention that Father was in the Hung Nam death camp at the time. Even now the Family Fed is using precious church funds raised through the blood, sweat and tears of brothers and sisters to create a

Museum, where Hak Ja Han's "Only Begotten Daughter" Fake News version of history will be taught to future generations.

Of course, as you know, Hak Ja Han now claims equal authority to reverse Father's providential decisions, to alter and censor the 8 great textbooks that Father said never to change, and to fire the son that True Father chose as his successor in 2008 and crowned three times in 2009. Hak Ja Han has given no explanation regarding why she suddenly fired Hyung Jin Nim from all of his positions within a few months of Father's passing to spirit world, but it appears that she did so because he, as a filial son to his father, would not go along with her OBD agenda.

Thank you for saying what all the UTS professors and FFWPU leaders are afraid to say. Of course, the sad truth is that statements that would now need courage to state, were simply common knowledge even just five years ago, before the Han Mother rewrote our Unification history.

Mrs. Eu, you'll be happy to know that, through God's grace, we now have a True Mother, Hyun Shil Kang, whose every word is to testify to True Father's faith, courage and love for God. Father is no longer alone!

Sincerely,

Richard Panzer

Gil Ja Sa Eu on Mother Han

Mother was 17 years old when she wedded Father. She was very young, wasn't she? I served Mother, too, when I was serving Ye Jin Nim and Hyo Jin Nim. Mother was so spiritually bright that she was able to reduce a topic that couldn't summarize in ten words into just one word. When she did, I couldn't find anything wrong with her conclusion.

Mother is such a great person. Moreover, Mother is educated by our great Father and she has something that we cannot even imagine. Her greatness can be attributed to the efforts of Dae Mo Nim. Mother stands upon Dae Mo Nim's foundation of faith.

Mother told me recently, "Hey, you know, Father, he keeps calling me, 'My half, my half.'" That's really true. Father can try everything possible to become perfect but he is only a half person without Mother, right? Mother now stands on the equal position as Father. Many times after the Holy Marriage, I witnessed Father educating Mother about the providence of God very seriously. Father said that, in hindsight, educating Mother was most the difficult thing. His ordeals of receiving tortures were easy compared to the pain he had to endure while teaching Mother.

Father said that he would have said "Sorry, I can't." when God told him "You take the responsibility of fulfilling the mission of Messiah!" had he known that the Messiah, or the Perfected Adam, had to find a woman and raise her to become the perfected Eve, and that the task was so difficult. However, Father took the responsibility without knowing about it and God thoroughly educated Father in self-denial.

Father said "That alone was difficult enough but I had to perfect Mother on top of that. It was very hard. How could I express it all with words?" Father was God's masterpiece and in turn Mother was Father's masterpiece. So if Father is the sun, Mother is the moon. We can't look straight into the sun. However, we can look straight into the moon. When it's a full moon, looking at the moon brings us joy and a sense of refreshment. That is why, if we are to go to God, we must go to Father through Mother, and then to God through Father. We can't go straight to Father. That is how precious and close to us our Mother is." (p. 103 in PDF draft of A Testimony to God's Word in Regard to Divine Principle by Gil Ja Sa)

May God bless you and your families!

Sincerely,

Richard

Father's Suffering Ends in Joy

When we think of Father's suffering life we usually think of his many prison tortures. Father is the only person I have heard of who escaped from prison by being thrown out as garbage because his experienced torturers knew he would surely die. Father was tortured by the Japanese, the North Koreans and the South Koreans. He was imprisoned in Danbury, Connecticut when he was in his sixties.

Father says his prison tortures were just tiny potatoes compared to what he went through with Hak Ja Han. In Mrs. Gil Sa Ja's book, "A Testimony to God's Word", Father is quoted on page 268 as saying that his many tortures were easy to endure compared to the suffering he experienced in raising Hak Ja Han. He even said he would have refused the messianic mission if he had known how much he would suffer with her.

In 2009, Father said it was absurd to call Hak Ja Han the wife of True Parents or the wife of God because she had not yet accomplished the servant level. He also said we have no idea how audacious she was, that she lives as she pleases oblivious to heavenly law, and that she would be hunted if she tried to proclaim herself the wife of True Parents because she is a fallen woman.

(말씀선집 614 권 28p. '가인 아벨의 전략' 2009.7.12 천정원)

The Sermon's of The Rev. Sun Myung Moon: Vol. 614, p. 28. 'The Strategy of Cain and Abel', July 12, 2009, Cheon Jeong Won)

If Hak Ja Han could not yet accomplish the servant level after 49 years of marriage to the messiah, she truly was a poor student. It also means that Father's 52 years of marriage to Hak Ja Han were full of incredible suffering as he unsuccessfully suffered and struggled to raise her up. The Han mother rebellion began during Father's final years on earth. He has suffered to the grave and beyond in the spirit world until the historic event on September 23, 2017.

Father cancelled the completed level Blessing, saying that the God of Night and the God of Day were fighting.

Finally Father's tremendous suffering with Hak Ja Han has ended and he has entered the Garden of Eden with a victorious True Mother Kang and his victorious Cain and Abel sons. How proud and happy Father must be with them to finally accomplish what Hak Ja Han denied him while he was on earth.

How many times have we heard Father speak? How many times have we read his speeches? I feel like a spiritual sloth because I am so slow to grow and change. Hyung Jin Nim is so frustrated sometimes because we are not preparing for the judgement time coming. If he had not shaved his head, he might be bald anyway by pulling out his hair.

True Mother Kang is a very different type of person. She responded to Father's prayer without even knowing who he was. She had never met him, seen his picture, or heard him speak one word. She didn't even know his name. After Father finished writing the Divine Principle, he prayed for God to send him Christian saints to help spread the new truth. God's answer was to send him True Mother Kang. At 26 years old, she was certified as a living saint by the Almighty God. Then this tiny woman went out alone with only Father's prayer to plant the seeds of the Unification Church. She fulfilled Father's prayer. For 65 years, True Mother Kang has been fulfilling Father's prayers.

Never again will the God of Night and the God of Day fight.

Finally Father is entering Eden. He is liberated from the Hak Ja Han tortures. All mankind has a new way forward.

Hallelujah, Aju and Amen.

John Clark
