

War against the Father

Husbands, love your wives, just as Christ loved the church and gave himself up for her to make her holy, cleansing her by the washing with water through the word, and to present her to himself as a radiant church, without stain or wrinkle or any other blemish, but holy and blameless. In this same way, husbands ought to love their wives as their own bodies. He who loves his wife loves himself. After all, no one ever hated their own body, but they feed and care for their body, just as Christ does the church- for we are members of his body.

"For this reason a man will leave his father and mother and be united to his wife, and the two will become one flesh." This is a profound mystery-but I am talking about Christ and the church. However, each one of you also must love his wife as he loves himself, and the wife must respect her husband. Ephesians 5:25-33

There is nothing else God desires more than love. Who would be His greatest enemy in the Last Days? What is the number one premise for judgment? In the Last Days, individualist self-love becomes the number one premise for judgment. CSG 927

Dear

In Sunday's Service, Hyung Jin Nim discussed how "Free Sex" leads to breakdown of families and to increase of many kinds of abuse. The intent of the fallen culture is to remove fathers from the home calling it "toxic masculinity." Free sex is the fundamental glue of satanic culture.

[Unification Sanctuary Service 11/12/2017 Rev. Hyung Jin Moon, Newfoundland, PA](#)

Strong fathers are supposed to be in the home, but popular culture continually belittles strong Christian men. A culture of loving the Father is so critical. Christianity teaches husbands to be patient, to be willing to sacrifice for their wives and children. In this way, Christian culture protects the most vulnerable. When you remove strong fathers rooted in faith, bad men will come in. Alpha males must become the true fathers in their households and become loving fathers like Christ.

Hyung Jin Nim praised the ministry of [Jesse Lee Peterson, who appeared as a guest on The King's Report](#) earlier this month and who speaks about the importance of forgiveness and [restoring parent-child relationships](#). Children yearn for their fathers because God is our father. The challenge for our society is to rebuild the man, the family, the society and nation. Without strong, righteous men, women and children will suffer, but the current culture seeks to undermine men in order for women to be loyal to the state.

In this sense, the truth of "Absolute Sex" where married couples are absolutely faithful to each other, as taught by True Father and where husbands love their wives even when they are unlovable and wives respect their husbands even when they not respectable, as described in Ephesians 5, is a powerful, liberating message that will overcome the satanic world, powerful as it may seem. Its deeds are being exposed in the bright light of the noontime sun.

True Father on 3/7/2010 "I could not meet my bride."

May God bless you and your families!

Sincerely,

Richard
