The word of the Lord came to me: "Son of man, take a stick and write on it, 'For Judah, and the people of Israel associated with him'; then take another stick and write on it, 'For Joseph (the stick of Ephraim) and all the house of Israel associated with him.' And join them one to another into one stick, that they may become one in your hand. And when your people say to you, 'Will you not tell us what you mean by these?' say to them, Thus says the Lord God: Behold, I am about to take the stick of Joseph

(that is in the hand of Ephraim) and the tribes of Israel associated with him. And I will join with it the stick of Judah, and make them one stick, that they may be one in my hand. When the sticks on which you write are in your hand before their eyes, then say to them, Thus says the Lord God: Behold, I will take the people of Israel from the nations among which they have gone, and will gather them from all around, and bring them to their own land. And I will make them one nation in the land, on the mountains of Israel. And one king shall be king over them all, and they shall be no longer two nations, and no longer divided into two kingdoms. They shall not defile themselves anymore with their idols and their detestable things, or with any of their transgressions. But I will save them from all the backslidings in which they have sinned, and will cleanse them; and they shall be my people, and I will be their God. Ezekiel 37:15-23

Even if people attend church for one hundred years, if they still have a self-centered mind they will never get to heaven. They cannot receive salvation.

We need to know what kind of religion is a true religion, what kind of person is a true person, and what kind of nation is a true nation. CSG 645

Dear

This week Hyung Jin Nim traveled to Las Vegas, Nevada for the annual SHOT Show. Instead of staying at a hotel, he and Yeonah Nim did outdoors camping in the desert. As he has often pointed out, going into the Creation is a good place to hear God's voice.

Meanwhile a brutal winter storm buffeted the northeast. A hardy crew led by International Director of Missions, Tim Elder, braved the weather to conduct the Sunday Service.

Tim began by reporting about the successful Matching/Blessing workshop conducted by Dorit Smith, and Jim and Hiromi Stephens. Twenty-one people including 3 staff, 11 parents and 7 candidates participated. A King's Report [video](#) was shown where Hyung Jin Nim reflected on the necessity of having a victorious attitude going into matching and Blessing as opposed to self-sabotaging the relationship.

Gideon and Ka Young Raucci shared a testimony about their own matching and Blessing. Both had been previously Blessed, but those had broken. They both shared very honestly and deeply about the many ups and downs they went through, even how they hurt each other. But through it all, they both continued to seek God first, so as a result they could share many valuable lessons. Many participants said this was the most memorable part of the Retreat.

Jim and Hiromi showed [another video](#) of Hyung Jin Nim talking about the differences between men and women and the Biblical injunction for men to love their wives and women to respect their husbands. It was decided that we will hold a similar Matching Retreat four times a year.

In his sermon, Tim Elder read from a well-known passage in Ezekiel 37 which talks of God bringing the people of Israel back together from their diaspora to reestablish one nation. Similarly, even if Unificationist and Christian brothers and sisters have wandered away from His will, God has chosen them

and will work to bring them back to fulfill His purpose and gather His lineage.

Sunday Service - January 20, 2019 - Unification Sanctuary, Newfoundland PA

As He did with the children of Israel, God is reaching out to gather those He called, without interfering with their portion of responsibility. God has given us Christ's anointed lineage through the second and the third Kings of Cheon Il Guk. God is touching people so that they can be cleansed and released from those things blocking their way back to Him.

We will be His people and He will be our God! All of us need to give up idols that take us away from the Lord, so that we can be accepted and cleansed by Him. God is working 24/7 to save His people. Humanity is in the beta testing stage. We have this "bug" called Original Sin that needs to be fixed before we can expand to other parts of the universe. God has made a promise. He is not giving up.

May God bless you and your families!

Sincerely,

Richard
