*He has not given us a spirit of fear, but of power and of love and of a sound mind! 2 Timothy 1:7*

*No matter how difficult it seems, when you are absolutely centered upon God and humanity nothing can block you. Any opponent will be shattered in any confrontation. I know this through my own experience. SMM, God's Will and Christmas, 12/25/76*

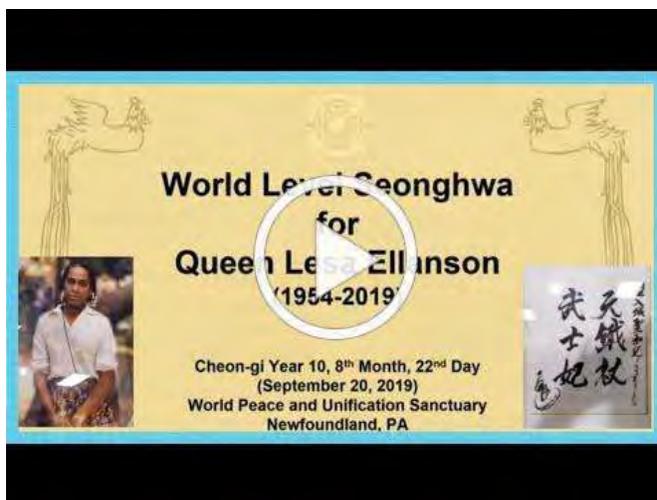

Dear

The past week has been one of the most intense weeks this year! As promised by Hyung Jin Nim, all of the videos of his June 18-19 deposition in the lawsuit initiated by FFWPU against Sanctuary are being posted on youtube. (THANKS to all who contributed to raise the \$4,000 needed to purchase the videos from the court videographer!)

**2019-6-18 Deposition of Hyung Jin Moon in FFWPU vs Sanctuary #1**

Second, a moving world level Seonghwa was held for Lesa Ellanson, a courageous sister who was loved by the King and Queen. The next day Lesa's grandson, Isaac, was born to Marshall and Christina Kise (after 26 hours of labor).

**Queen Lesa Ellanson World Level Seonghwa**

Third, a Book of Life Registration Blessing ceremony was officiated by the 2nd King and Queen on Sunday for Mira Williams and Misha Panzer.

At Sunday's service, Hyung Jin Nim explained how driving back from Lesa Ellanson's Seonghwa, he and Kook Jin Nim heard banging on the roof of the jeep, but when they checked they found there was nothing on the roof! Since there were also no trees to drop acorns, Hyung Jin Nim felt it was Lesa saying "I am here with you!"

He invited 8 sisters who went sky diving (with the CIG Constitution in their pockets) to share their testimonies. By overcoming their fears they unlocked their epigenetics! The micro changes the macro, not the reverse. The love of God is more powerful than the fear of death. As stated in 2 Timothy 1:7, He has not given us a spirit of fear, but of power and of love and of a sound mind!

**Sanctuary Church Sunday Service 9/22/19**

Look at what the Holy Spirit does even to evil ones. As described in Numbers 23:1-11, the seer Balaam was hired by King Balak of Moab to curse the Israelites, but God commanded Balaam to bless Israel. God will confound the enemies of God.

True Father's anointed heir and his victorious "Cain" brother received the scorn and hatred of many, but God will use a small minority to change the world.

In 2009 at the Pine Ridge golf resort, True Father came out and was reprimanding Rev. Kwak because they were not respecting Father's anointed. Father called Preston to spend a year with him, but he refused.

Father asked the medium Kim Hyo Nam to speak about what she could see in the spirit world. Normally she would say there always are evil spirits attaching to Hyung Jin Nim because she was colluding with Hak Ja Han. But she had to say that the spirit world supports and blesses the appointment of the youngest son who is True Father's anointed. Like the Holy Spirit forcing Balaam to speak the truth about Israel being blessed.

*Marshall and Christina Kise with Isaac*

When Father appointed Hyung Jin Nim, he struggled. He didn't want to cause conflict. Kook Jin Nim and Young Jin Nim were the only ones who didn't beat up their younger brothers. Lucifer was also arrogant, saying "I helped to create the universe with you, God. How can you give your blessing to Adam who doesn't know anything?" Lucifer could not accept the son. But by denying the son, you deny the father. It doesn't matter what you think, it matters what True Father chose. Father knew Hyung Jin Nim's weaknesses, but could see that he would never betray him. That is why Hyung Jin Nim did not sleep around and did not fall. His Korean Onni guided him well. In the 9th grade, going into Martial Arts changed his life and kept him away from temptations.

Preston angrily kicked Mike Balcomb, a 60 year old man, on the way out. Under his leadership, UPF pushed to bring leftist politicians, who promote relativistic values and socialism to speak at our events, because they were famous and "respected." True Father hated communism because it is based on breaking God's 10 commandments. It is evil, creating "God-free" and "gun-free" zones, leading to absolute government control.

Good Ambassadors for Peace agreed with True Father's appointing Hyung Jin Nim because he agreed with Father's Absolute Sex teaching.

The relativists in our church did not really believe that Father is the messiah. but when he said he came from the God of Night that should have made it clear for all that God is indwelling True Father. The Father is in the position of the Sun, the son is like the rays of the Sun and the Holy Spirit is the warmth of

those rays.

**Williams, Panzer Book of Life Registration Blessing 9/22/19**

Reductionists say that religion is just about conflicts about land, power, etc., which is what he learned at Harvard, but studying apologetics helped him to pull out of that relativist mindset. A man who loves and protects his wife is different from a man who uses women as sex slaves.

Even though prevailing view at Harvard was relativism, one of Hyung Jin Nim's teachers at Harvard, Professor Juno, an expert on Buddhism told him that he did not believe that all religions are ultimately the same or lead to the same place. This led later to Hyung Jin Nim comparing and contrasting Buddhism vs. Christianity and to see how the societies they create are quite different.

Tyrants such as Hitler used the brown shirts to take power and then later kill them. Why the American founding fathers, only 3%, were so special by freeing the country. We are more than 12, we are 10,000 Sanctuary supporters. David had 400 fighters with him in the wilderness. Don't underestimate the power of God, the Ruah (holy wind) hakodesh or Holy Spirit is blowing. When you move with the Holy Ghost at your back, it's easy.

### **More Thoughts on the Identity of Christ**

*Do not let those who have been seeking You come with the mentality to just receive blessings and a conceptual attitude of faith here in this hour Do not let them have only the desire to be inspired in their heart. The history of the appeal, "Save me!" has already exceeded 6,000 years, and the time has come when the sound of the tearful prayer, "Please receive me," is to be heard on the earth and to reach up to Heaven. Let this hour be the time when we can pray "Father, please receive me. I give you all that I have, so please receive me."*

*Please lead us to question ourselves as to whether or not we have become sacrificial offerings who meet Your expectations. Every time we stand before the holy body and presence of Father, let us deeply feel how inadequate and sinful we are so that we can lower our heads and bow before You. Please awaken us to the truth and let our heart of repentance be kindled. Please allow this hour to be an opportunity for us to feel our original nature and the substantial manifestation of goodness, and to bow in subjection to the glory of You, Father. SMM, "Jesus Christ, The Pride of God," May 16, 1956.*

In Unification Thought it states that the image of perfected man or the Logos existed in God's mind before the Creation and guided that as the ultimate end purpose. The Bible makes it clear that this eternal Logos or "Tree of Life" was withdrawn from the first Adam, and fulfilled by Jesus as the second Adam (and by True Father as the third Adam). In this sense there was a part of Jesus and of True Father that pre-existed with Heavenly Father from the Beginning, as expressed in Father's "God of Night" teaching. For the rest of us, to access this deeper aspect of God, we have to go THROUGH THEM. It can correctly be said that Jesus and True Father fulfill the Purpose of Creation in a way that no one else does.

But what about Eve? She was to believe in God's words given to Adam (Gen 2:17) and passed on to her. My understanding from Unification Thought of the Masculine/Feminine ideal is that the Masculine GIVES love (often expressed as protection, sacrifice, provision) and the Feminine RETURNS beauty (expressed as respect, adoration, etc.) A Godly woman adores Christ as her eternal Lord and esteems her Godly husband as the embodiment of God's masculine, subjective, protective, sacrificial nature (Ephesians 5:22-33).

If you read True Mother Kang's talks, you can see how much she adored Jesus/True Father in the deepest way. [In her Bible in the Gospel of John she wrote words of repentance in the position of the worst sinner guilty of murdering Christ herself](#), an indication of her deep spirituality and longing for Christ's return, which took place in the form of a Lord of the Second Advent wearing tattered clothes whom she met in a cardboard shack. From that alone you can see why God loves her and why she is far more qualified than a "mother" who disdains to mention her husband's (Father's) name in her speeches since 2014, unless it is in a "speech" written and spoken by someone else and then attributed to her.

*It was because of me that Jesus was crucified on the cross.*

*Thank you, Lord, for forgiving me!*

*I read this weeping and crying, thinking of my savior and Lord!*

*Hyun Shil Kang, 9/23 11:10pm*

Sincerely,

*Richard*
