Ask of Me, and I will give You The nations for Your inheritance, And the ends of the earth for Your possession. Psalm 2:8

And the word of the Lord of hosts came to me, saying "Thus says the Lord of hosts: I am jealous for Zion with great jealousy, and I am jealous for her with great wrath. Thus says the Lord: I will return to Zion, and will dwell in the midst of Jerusalem, and Jerusalem shall be called the faithful city, and the mountain of the Lord of hosts, the holy mountain. Zechariah 8:1-3

"The work of God is restoration, always in the opposite direction from His original loss. This means that God first needs to find His perfected Adam, and Adam who instead of betraying God will become one with God. And then Adam must restore his bride in the position of Eve. Therefore, the promise of the Lord of the Second Advent will be fulfilled. He is destined to come to earth as the Son of Man in the flesh. He comes as the third Adam. He will take a bride and thereby bring about the most joyful day of heavenly matrimony, referred to as 'the marriage supper of the Lamb' in the book of Revelation. He will fulfill the role of True Parents." SMM, "The Future of Christianity," New Orleans, LA; October 28, 1973

Dear

Hyung Jin Nim started the service by reminding brothers and sisters about next week's observance of

Chanukah, in which faithful Jews celebrate the victory of the [Maccabean revolt against King Antiochus](#), who banned Jewish religious practices and ritual sacrifice in the Temple, made possession of the Torah a capital offense, banned sabbaths, and outlawed circumcision, with mothers who circumcised their male babies to be executed.

He introduced Bob and Patti, who started a petition last March to make [Pike County a Sanctuary county for the 2nd Amendment](#) with 1600 signatures in this county so far. Thirteen of 67 counties have joined the effort in Pennsylvania. Civilian militia were the starting point of the USA.

He read from Jeremiah 48 with its warning that the prosperous, but faithless, kingdom of Moab would be destroyed. The pagan gods in the Ancient World always demanded child sacrifice. The governments were criminal cabals.

In modern times many nations and businesses collaborate with the Chinese Communists. When they took power in China, Mao instructed his young revolutionaries to kill elders and the land-owning people. He encouraged them to be covetous and to seize others' property by violence. The children of property owners were called "mini-landlords" who should be executed, along with cousins and relatives. Even the

mass murdering Stalin warned Mao to slow down the pace of mass slaughter.

The Chinese Communists wanted to destroy any kind of tradition or religion. Confucianism and Buddhism were not the Gospel, but at least they did teach basic morality. Communism is a blood lusting for power at any cost, but the Gospel teaches to gain wealth through service and hard work, not murder or exploitation.

Judgment of Moab (Sunday Service 12/15/19)

The God of the Bible was desexualized. God created the universe through His word and His will. The Ten Commandments and the Torah in effect declared a Sexual Revolution against widespread deviant pagan sexual practices and made illegal the practice of selling your daughter to the temple to be a prostitute. Parents are supposed to be the protectors of our children, not collaborators with their exploitation. But in the USA, more than 60 million babies have been aborted since 1973. Margaret Sanger, founder of Planned Parenthood, was a eugenicist and racist who wanted to reduce "inferior races" she saw as human "weeds."

Moab had become a wealthy nation whose God [Chemosh](#) demanded child sacrifice. The Moabites became complacent and degenerate. It is a sad reality that the Jewish state also began the worship of Baal involving child sacrifice even though it was denounced in the Scriptures.

The God of the Bible declares that He is superior to other "gods." Christianity does not allow you to marry a 6 year old girl and have sex with her at age 9 as Islam does. How many parents know that [children in public schools have been instructed to recite the shehada, the Muslim statement of faith?](#)

Truth is not subjective. There is not "your truth" and "my truth." If so, then Hitler's truth, "let's kill all of the Jews" would be an equally valid point of view. Whether we like it or not, there is objective truth.

In Philippians 2:7 the Greek word kenosis means to empty oneself. This is a warning to all of us. We should not boast about our physical strength, assets and intellect. Give glory to God, not yourself.

Realize that each of us is capable of evil. In the Cheon Il Guk constitution there are limits on the King's power. Raise your sheep up to be shepherds. We are meant to exercise dominion. As it states in Psalm 2:8 "Ask of Me, and I will give You The nations for Your inheritance, And the ends of the earth for Your possession." We must have the spirit of God to inherit those without becoming corrupted. The community of shepherds helps everyone to be accountable.

New Revelations from the "Mother of the Universe"

I must express my gratitude to the Han Mother for increasing my attention to Divine Principle and Father's teachings. The latest motivation came from reading the [transcript posted by the FFWPU of her speech in Niger on November 28, 2019](#)

She states "*Christianity began after the Pentacost when the apostles waiting for Jesus witnessed his rebirth through the Holy Spirit.*" According to her, it was Jesus who had a "rebirth" through the (feminine) Holy Spirit. This would align with her past statements that True Father became sinless only by

meeting her, the Only Begotten Daughter.

According to the Han Mother, providential history was fulfilled, not in 1920 with the birth of the Lord of the Second Advent, which she never mentions, but rather in 1943 with her birth. I'm sure the drafters of a new version of Divine Principle are furiously at work to revise parallels of history to remove the reference to 1920, which she clearly believes is not significant enough to mention in any of her public talks.

She states "Knowing Heaven's circumstances, I could no longer wait for them and rose to the position of True Parent in 1960." At age 17, it was her will, not Father's, that she rose to the position of True Parent. It's not clear whom she was married to in that year. As in other speeches, she goes out of her way to NOT mention Father's name.

She goes on to say that, "It has been seven Cheon Il Guk years since God's Only Begotten Daughter, the True Mother, began a new history." I suppose that is true, since this is a history in which True Father's name is seldom mentioned or honored, and in this speech and in many others not even once.

In the last paragraph of her talk she states the following:

We may see that out there in the world some children are trying to maintain distance from their fathers, but they remain closely united with their mothers. Therefore, please remember that the way to receive eternal blessings from Heavenly Parent is by having your nations and all of you here today become one with God's Only Begotten Daughter, who is the Mother of the universe.

It would seem that it's really not a problem if children are distant from their fathers as long as they become one with the "Mother of the Universe." The way to receive God's blessing is not by loving and respecting BOTH your father and mother, one of the ten commandments given to the human race through Moses, but this would fit in with the matriarchal worldview repeatedly expressed by the "Only Begotten Daughter" whose own lips will not say the two words "my husband."

Reading this speech is heartbreaking for me, as I see True Father Sun Myung Moon's second wife demolishing his teachings and re-constructing them into a matriarchal theology. Does anyone in the Family Fed really believe this feminist crap?? If not, why do you go along with it?

The Fall of human beings began with their compliance with a lie, with a false love. Didn't Father teach that we should only follow love that is centered on the truth? If so, why are you silently collaborating with the repeated lies spoken by the so-called "Mother of the Universe" since True Father passed? Into whose lineage are you being engrafted when you drink her "holy (OBD) wine?"

It has been said that silence is consent, so your silence means that you are a co-creator with Hak Ja Han in her unprincipled claims and actions. If you would stand up and speak out then she might return to her original stance of honoring the man she once was married to, True Father Sun Myung Moon, who came as the Lord of the Second Advent during our lifetimes, but your cowardice only helps seal her in her tomb. And, I am not happy to suppose, you alongside her.
