Memorial Service and Prayer for Beloved Rev. Jae Won Park

December 30 @ 7 pm Pacific Time

Rev Jae Won Park (former First congregational church) passed away on Dec 24.

We invite you to Memorial services prayer for him.

Rev. Park was witnessed by Rev. Hua, Minister from K.E.A. Church (Korean Evangelical Association). Rev. Park participated April 6, 2019 "Peace Start With Me" program at the City of Refuge and he was very inspired.

He was against our movement for a long time, meeting with Rev. Hua and joining a program with True Mother helped him to understand our movement deeply.

He was the first Korean Christian pastor to participate in ACLC and WCLC at SR5. He knew

True Parents spiritually and he could testify of True Parents. Although he has been with us for a short period of time, it is important that True Parents remember him and pray for him to engage in spiritual activities for ACLC and WCLC in the spirit world.

Benediction Prayer (Liberation Prayer) for Rev. Park by Rev. Jeong:

Heavenly Parent, the subject of life, beloved Cheon Ji In True Parents!

Today we are sending your beloved son, Pastor Jaewon Park to you.

Pastor Park Jae-won accepted God from his youth and started the path of ministry for God. He has served in the United States for 37 years. In the United States, he served as a bridge between Korean and American communities by preaching the word of God while ministering in Korean and American churches.

On April 6, 2019, he attended the Rally of Hope held at the City of Refuge church and saw True Parents for the first time. He was blessed in observing True Parents' amazing activities. He hoped to know about True Parents. Since then, he has attended weekly Divine Principle lecture meetings to study. While studying the principles, he realized a new interpretation of the Bible and the greatness of DP.

He attended the ACLC conference and witnessed True Parents who are coming through the Holy Spirit. He attended the WCLC Founding Conference in December 2019. At that event, he was the first Korean to speak as a panelist. At that time, True Father came spiritually and was with him. He testified that True Parents are the ones who really do God's work. He regretted not being able to meet True Parents when he was young. He planned to have an activity to connect Korean Christian pastors with ACLC. However, although he was unable to work due to the Covid-19 pandemic, he had a strong desire to participate in True Parents' work.

We sincerely thank Pastor Park for making a relationship with True Parents' providence, even if it was later in his earthly life.

Now we are sending Pastor Park to Heavenly Parent and True Father. Please remember the achievements of this son's relationship and participation with True Parents on earth. We want to liberate this son. We pray that you will make Pastor Park your worker in the spirit world, and allow him to cooperate spiritually with ACLC and WCLC activities.

Amen, Aju.
