

Reunion of German Foreign Missionaries of 1975

Hildegard Piepenburg

23-24 September, 2017, Neumühle Bad Camberg

FIRST EVER MEETING OF 28 FOREIGN MISSIONARIES AND SPOUSES SHARING EXPERIENCES AFTER 42 YEARS

In April 1975, 80 German brothers and sisters were sent from Camberg to Third World mission countries as pioneers. They were in their early 20ies or younger and had been in the church only a few months. In 2015, True Mother gave them a special 40 year missionary award.

Christian Hausmann greets the missionaries on behalf of the German FFWPU.

Christel Werner shares precious memories of meeting True Parents.

Dieter Schmidt sent a video message from the CARP Workshop in Cyprus:

„Your faith and investment laid the foundation for today’s success in those nations...“

Laughing and crying, praying and thanking Heavenly Parents and True Parents for their protection in dangerous situations and circumstances.

All should write down their stories for future generations.

Cutting the thank-you cake from the German nation.
