

WFWP South London, UK's Macmillan Coffee Morning with Friends and AFPs

Dolores Read
September 27, 2019

Our coffee room was crowded with over 25 people for the Macmillan World's Biggest Coffee Morning on Friday 27th of September.

We had a lot of fun playing games and sharing food together. At the end everyone felt very happy for the enjoyable and wonderful time they had with each other. We raised over £150 in donations to WFWP.
