

## In memory of Elisabeth Riedl

Elisabeth Cook

April 9, 2017

Early in the morning of Friday 7th April, Elisabeth Riedl ascended to the spirit world at the age of 64.

Originally from Scotland, Elisabeth lived in Austria and was very involved in WFWP activities in Austria and Europe.

Her husband, Klaus, reported that she had passed peacefully in her sleep after having suffered with lung cancer. Just 10 days prior her passing, Elisabeth had a vision in which True Father called her and gave a new mission. She helped Klaus, as best she could, to make all preparations for her farewell.

Elisabeth's Seong Hwa ceremony will be held on Good Friday (14th April) at 11:00 am in Salzburg, Austria.

Our thoughts and prayers are with her and her family at this time.
