NJ Family Church of Clifton | 78 DeMott Ave | Clifton, NJ 07011 US

Hi all,

The next CheonBo Event at NJ Family Church will be on 2/7/2026. It will be a 1-day and **in-person event**. They will not accept any application forms at the event, so please prepare and submit your application form and check in advance. If you would like to participate, please prepare right now.

We will be able to apply for the Ancestor Liberation and Blessing, Collateral Liberation and Blessing, Self-Liberation Reservation for your family members, Liberation and Blessing for the Central Evil Spirits, Liberation for your land and house, and Cleansing of Fetus. We will also be able to inherit the Hyo Jeong Won with its picture at the event. I attached the all the application forms, so please find them.

We will be able to apply for this time:

**1) Ancestor Liberation** - You can apply for any generation from 1st to 210th generations.

Please fill out the application form and check mark the box of who you would like to liberate. (When you apply for Ancestor liberation up to 210G, 211-430G will be liberated automatically at the same Liberation Ceremony. Please fill out the box below.)

Liberation	Generations		► <small>※ This applies for members who are applying for liberation of 211~430 generations ONLY. &lt; Please check "✓" the boxes you would like to liberate &gt;</small>
	211~430		
F	~		
M	~		
GMF	~		
GMM	~		

Donation amount: 1-7G (F, M, GMF, GMM) - \$700 per box and from 8G - \$70 per box.

**Those who are applying for Ancestor Liberation need to offer the 21-day condition of breakfast fasting or 50 bows per application**, so please start it asap.

**2) Ancestor Blessing** – If it has been at least 100 days after your ancestors' Liberation Ceremony, you can apply for their Blessing.

Donation amount: 1-7G (F, M, GMF, GMM) - \$700 with all 4 lineages  
From 8G to 430G - \$70 per set of all 4 lineages

**3) Collateral Liberation** - You can apply for the liberation of your deceased parents, relatives, friends, your land and house, etc.

If both husband and wife are deceased, please circle Married and write their names side by side in the same box. Age is the age at the time of death. If you are not sure of their exact age, you can write a rough estimate (e.g. someone in their 50s or 80s). If you are applying for one person, please write their name. If you have already liberated the deceased person of the married couple, please write the name of the spouse in the box of "Person who passed away after registering for liberation".

Any amount will be fine for the gratitude donation.

If you are applying for a single person who has **never** married on earth, please circle "Single" and write the name, age at the time of the death, and relationship (please apply for the special blessing for the "unmarried 1st Gen." in August every year in Korea).

4) **Collateral Blessing** – Those who have completed 430G, please use the Collateral Blessing Form. If you passed 100-day after the Liberation Ceremony for your collaterals, you can apply for their blessing. You can apply for any numbers of couples at once, and the donation amount will be \$70 per application. If you have not completed 430G, your collateral couples will be blessed automatically when you apply for your ancestor blessing.

5) **Liberation for the Central Evil Spirit** – Those who have completed 430G, you can apply for the liberation for the Central Evil Spirit for yourself, your family members, friends, etc. Please circle "Central Evil Spirit" **only** and write the names who you would like to liberate. You can apply for any number of Central Evil Spirits (CES), and the donation amount is \$120 per CES. However, 13 is the recommended number, not a goal. Therefore, it will be a good idea to liberate CES whenever you have the chance to apply.

Please fill out like this: (circle Central Evil Spirit) Tomomi Ueda x7 \$840

6) **Blessing for the Central Evil Spirit** – If 100 days passed after the Liberation Ceremony for your CES, you can apply for their Blessing. Please use the application form "New Collateral Blessing." If you are applying for the blessing of CES only, please fill out box #12 (shown below). Please mark ✓ in the orange box, and write the date of the blessing ceremony as "2/7/2026" this time.

12	Central Evil Spirit Blessing (mark ✓ in the box)	<input type="checkbox"/>	Today's date
----	---	--------------------------	--------------

If you are applying for your relatives' Blessing at the same blessing ceremony, your CES or other liberated evil spirits from Chanyang Sessions or special Ansu will be blessed automatically. You do not need to write how many and when you applied for the liberation. You will be able to just write "**All the eligible spirits.**"

7) **Liberation for the land and house** – Please fill out the "Collateral Liberation" section. Please write "Liberation for the land and house (or building)", then write the address. Donation amount: \$120. If you have "Hyo Jeon Won" (House of Absolute Good Ancestors), you do not need to apply for it.

8) **Self-Liberation Reservation – Please apply for it this time!!!** Those who have completed Ancestor Liberation and Blessing up to 140G on their F and M side are able to apply for "Self-Liberation Reservation" for yourself, spouse, children, and parents.

When a blessed family member passes away, they should be applied for liberation. Then, they will be sent to the 100-day workshop in the spirit world. After completing it, they will receive a mission from TF. If you apply for this Self Liberation Reservation, your absolute good ancestors will come pick you up and take you to the 100-day workshop right after you die. Your family members do not need to worry about your liberation, and you do not wait to be liberated in the spirit world. I strongly recommend you apply for all family members this time.

You will be able to apply for:

- \*Yourself
- \*Your spouse
- \*Your children
- \*Your parents

**9) HJ Offering Ceremony** - Those who will apply for the blessing this time, please offer the wish papers and participate in the HJ Offering Ceremony. All your blessed spirits will receive the grace of clearing off their trace of sins.

**10) Hyo Jeong Won (The house of Absolute Good Ancestors)** – If you would like to inherit the Hyo Jeong Won, please let me know. It will be \$3,500 including the shipping fee. At the event, you will receive a picture of the Hyo Jeong Won. Then, CSW USA will ship it to you later.

All the Absolute Good Ancestors are living in the workshop place in the spirit world now. After you had the Hyo Jeong Won at home, your Absolute Good Ancestors will live in the Hyo Jeong Won at your home. We will also live in the Hyo Jeong Won as well after we pass away. Your Absolute Good Ancestors will protect your home, so you do not need to apply for the liberation of your home and land. It is recommended to have the Hyo Jeong Won at home when you participate in the changyang sessions at the Great Works in Korea. It will be a great chance to inherit a Hyo Jeong Won at your home. Your Absolute Good Ancestors will settle at your home and live with you and your family. They will work and protect your family strongly!

**11) Wish Papers** – You will be able to purchase them at the event and offer them at CSW Prayer Room there. Gold - \$100, Silver - \$50, Bronze - \$30

\*NJ Church will send us the registration link soon.

**\*Please make a check payable to “CSW”.**

\*If you would like to participate in the CB Event this time, please prepare your application form and check soon. If you email me your application form, I will check it and email it to Las Vegas for the confirmation.

For members those who live in NJ and Belvedere Area, the application forms and checks will be accepted after the Sunday Service as below.

**Jan. 4, 11, 18, 25, 2026 (The deadline will be on Jan. 25, 2026)**

Please prepare for your application form right now! If you have any questions, please contact me.

Sincerely,  
Tomomi
