Ocean Providence CONNECT: A Global Exchange of Vision and Action

Join the Movement—Ocean Providence CONNECT

Over the past year, Ocean Providence CONNECT has been a window into hearing about various Ocean Providence initiatives happening across the globe. From New Zealand to Nigeria, Kodiak to Hawaii, we've been hearing from many parts of the world and what they've been up to.

This Sunday is our next CONNECT!

Hear directly from the passionate staff behind Korea Ocean Challenge 2025, fresh off their event in Yeosu, Korea. Discover how it went, what they learned, and what's next.

Don't miss it—tune in, connect, and be part of our network!

Zoom call this Sunday—come listen with us to the report.
