

## Living with God

Living with God: Isn't this truly our dream and innermost desire? Why? Because God is longing, more than we can imagine to live with each one of us. He wants to live with us and share everything with us.

We can experience God in many different ways.

But when I asked myself, what is truly the most profound and intimate way to feel God's presence? Then I would say, it is in the moment when we are in harmony with our beloved spouse. God draws near to us, very naturally. When husband and wife are truly united, centered on God, they emerge as God's Object Partner of Love instantly. What a Blessing to feel the presence and love of God in moments like this.
