The Blessing offering is the same no matter where you will receive the Blessing.

For those receiving the Blessing somewhere else your Blessing offering needs to be transferred by bank account latest a week before the Blessing day. (Details you can read in the section blessing offering).

The Blessing fee should **only be paid in EUR** to the EUME Blessing Department (see bank details below) and should be paid before attending the Blessing. Payment can be made in cash (in Korea) or can also be electronically transferred at least ONE week **before** the Blessing event.

Accommodation

This year the accommodation for European Blessing candidates and their families & friends is **Elysian Gangchon**

<http://www.elysian.co.kr/global/eng/>

International matched Couples

This year the Blessing group is very big so we are separated in different hotels. It is tradition that the bride joins the Education program (before and after the Blessing) of the groom.

If your husband is from another region and you would like to join the European group please inform us ahead of time, it is not a problem. Your husband would stay with you in the accommodation of the European group.

FYI: Japanese Blessing group has no translation into English in their program
Korean Blessing group has usually not much program before the Blessing

Blessing Ceremony

The venue of the Blessing was changed from Kintex hall to the **World Peace Stadium** (our own stadium owned by the church). It hosts approximately 25.000 people.

Family and Friends

Parents, any other family members or friends who are planning to join and want to attend the event are also asked to fill out the [Blessing 2020 Travel & Accommodation form](#)

You will stay in the same accommodation as the Blessing Candidates.

Please be aware that we can only arrange accommodation for those who request it via the online **travel form by 10th of January 2020.**

Arrival and Departure for Candidates, Family and Friends

Please note that pick up and drop off to the airports can only be guaranteed for those arriving in Korea on the 4th and 5th of February and departing on the 9th of February 2020.

Pick up will be all day long on the 4th and 5th of February.

Pick up will be arranged from Incheon Int. Airport and Gimpo Airport.
Exact pick up place on the Airport will be announced later.

If you want to stay earlier than the 5th or stay longer than the 9th in the Elysian Gangchon Hotel we can arrange it for you. It costs 50 USD per night. **Please inform us until the 10th of January 2020.**

In case you arrive a few days earlier than the 5th of February and stay somewhere else than Elysian we suggest that you will come back to the airport to travel with the group to the accommodation.

Fee for Family and Friends

Family and Friends who have registered with us through the travel form will stay in the same accommodation as the Blessing Candidates. The fee for attending the official schedule of the blessing (including meals, transport and accommodation) will be 350 USD for 4 days (5-9th February 2020).

Recommended additional items to bring along

- Small radio with headphones (**radios that work only through WIFI do not work** in stadium)
- Additional formal wear for the evening celebration after the Blessing

- Extra money in Won (there are usually a few shops where you can buy snacks, coffee etc.)
- Warm clothes
- Notebook and pen

Hair stylist

Our Korean staff team will arrange for professional Hair stylists to assist the brides before the Blessing. The hair and make up service is optional and is usually carried out through the night just before the Blessing. You can prepare a picture of the Hair style you want to have for yourself. Brides should prepare clothes that will allow them to easily change to a wedding dress after their hair is done.
