Application Process

There was a time when Reverend Moon himself would match men and women who had, through their commitment to this spiritual path, put their trust in God to work through him as the True Parent; he possessed extraordinary abilities in this area. However, as that method is no longer available to us, Family Federation members seeking to find a match within the faith community, as is our tradition, can now avail themselves of this introduction and matching service. It is presented as a seven-month 'Heavenly Courtship' under carefully developed guidelines that aim to ensure that those couples matched by this method will have a beautiful and lasting marriage, blessed by God. It is also designed to minimize the risk of hearts being hurt or broken – a tragic but commonly accepted feature of relationships in society around us.

Those seeking a prospective spouse through this system need to fulfill certain qualifications. The requirements for 1st Generation Matching are as follows:

1. To have had at least one year of active membership before applying, including reaching out to others to share the message of the Divine Principle and promoting the values embodied in True Parents' teachings.
2. To have maintained a lifestyle of sexual purity for at least one year.
3. To have completed a Divine Principle Workshop with the content of a 21 day seminar.
4. To have maintained regular attendance to at least one FFWPU program (e.g. Sunday Service, UPF programs, WFWP program, etc...)
5. To have offered tithing or made a financial contribution on a regular basis.
6. To have demonstrated good character and adequate maturity to be a responsible spouse with self-discipline and the ability to manage one's own life (in terms of study, employment and being self-sufficient) as well as being ready to care for and live for the sake of others.

7. Participate in a Blessing Preparation Workshop. The matching candidate will receive a certificate after participation. *

8. Make a Confession/ Interview with a person who is qualified and has completed the training program organized by the BFD. This Confession/ Interview should be done before you register for the Matching Website. *

9. Offer a condition of devotion: 3 days fasting (BFD recommends 7 days fasting). If your health situation does not allow you to fast, please contact your local BFD leader.

10. Take a HIV test and general health check.

11. Fill out and submit the following forms to the BFD representative in your nation:

- EUME Matching Application Form
- My Life Story form (with a personal recommendation from an advocate)
- Photos of matching candidate:
 - 1x portrait photo and
 - 1x full body photo

12. Each Matching Candidate needs a personal Matching Supporter who has to be confirmed by the national BFD leader, and who will help the candidate to find a suitable partner.

13. Please register on the International Matching Website

www.blessing4u.org

If the matching candidate wishes to be accepted on the Matching Website, please fill out all required fields and upload at least one personal picture.

**** This document is valid only for two years and after that it needs to be renewed.***
