Dear Regional, National, Community and Youth leaders plus BFD staff,

The [Special Blessing](#) is taking place soon, therefore we would like to inform you about the Blessing preparation process necessary for all the candidates who will participate, as well as other important topics related to the Blessing. We understand that some information related to the Blessing and Special Grace is not so easy to understand and raises a lot of questions, so we want to do our best to explain these points more clearly through a webinar.
