

24+ Matching Support Webinar Organised by the EUME Blessed Family Dept.

Orlande Schenk
September 3, 2020

Dear Blessed Families!

We want to warmly invite you to the upcoming European 24+ Matching Support Webinar. The workshop is designed for Blessed Children and Jacob's Children who are at least 24 years old and their parents. It is tailored to the needs of young adults in this age group who would like to be matched and blessed.

The programme will be a combination of talks, testimonies and discussions. While most of the sessions will be done together, there are also two days where parents and young people will have separate programs. Friday 25th September will be exclusively for parents, and Saturday 26th September will be just for young people. These separate sessions will provide an opportunity for parents and young people to learn, share and discuss together in a safe environment with their peers. There will also be matching supporters and staff available for personal talks and consultations.

The Matching Support Webinar is not a Blessing Preparation Workshop (as one of the requirements to attend the Blessing). It is designed to help and support successful Matching and its content is primarily focused on it.
