## **EUME Matching and Blessing Preparation Weekend Online Workshop LOVE - LIFE - LINEAGE**

for Blessed Children and their Parents; February 12 – 14, 2021

---

Dear Blessed Families!

We want to warmly invite you to the upcoming European Matching and Blessing Preparation Workshop.

A Matching and Blessing Preparation Workshop is a requirement for all who wish to attend the Blessing. It is designed to support all candidates and parents who are preparing for the matching, and also those already matched who are getting ready to go to the Blessing.

**NEW:** This workshop will take the form of a webinar over one weekend (Part 1), with a follow up workshop (or webinar – depending on restrictions) organized on the regional/national level by your local BFD (Part 2). By attending both parts you complete the requirements of the workshop.

We will cover the following topics:

- True Parents Lineage and the Meaning of the Blessing,
- Parent-Child Relationship,
- Preparing myself for the Matching,
- What does it mean to be a Blessed Couple? and more...

Good communication between parents and candidate is central in the matching process, therefore to attend this workshop together is the best preparation for matching. If both parents and children receive this content together there is a better foundation for discussion and sharing throughout the matching process.

For some parts of this webinar, we will divide into two groups - with some presentations aimed at guidance for parents, while others will focus on guidance for candidates.

Even although this workshop is online, we would ask you to set aside the **whole weekend** to focus on the content. There will be plenty breaks, where you can take time to discuss between parents and children, eat meals together and reflect individually.
