

FFWPU UK: Matching And Blessing Preparation Workshop On The Horizon

Michael Balcomb
September 27, 2022

For those who wish to attend the Blessing, the Level 2 Matching and Blessing Preparation Workshop is a requirement. Find out about the webinar which takes place from Friday October 14th to Sunday October 16th.

Dear Blessed Families!

We want to warmly invite you to the upcoming Level 2 EUME Matching and Blessing Preparation Workshop.

A Level 2 Matching and Blessing Preparation Workshop is a requirement for all who wish to attend the Cosmic Blessing. It is designed to support all candidates and parents who are preparing for the matching, and those already matched who are getting ready to go to the Blessing.

The Certificate of Attendance of a Level 2 workshop should not be older than 2 years when receiving the Cosmic Blessing.

NEW: The Level 2 workshop consists of two parts:

A blue poster with white and yellow text. At the top, it says 'BFD EUME'. Below that, 'Save the Date' in large white letters. A yellow circle contains the text 'MATCHING & BLESSING Preparation Workshop Level 2'. Another yellow circle contains 'Online, October 14th - 16th 2022'. Below the circles, it says 'For Blessed Children and their Parents', 'REGISTER AT THE LINK BELOW OR SCAN THE QR CODE', and 'DEADLINE: Sunday, October 9th'. At the bottom, there is a QR code and the email address 'bfdeume@gmail.com'. The background of the poster features a circular inset image of two hands holding a cup of coffee.

Part 1 – Webinar on the Europe and Middle East (EUME) level.

Part 2 – Sub-regional Seminar.

For more details, see page 3 – *"Education overview on the Matching and Blessing"*.

NEW: Attending the workshop is a requirement to register on the international matching website blessing4u.org/

We will cover the following topics:

- True Parents' Lineage and the Meaning of the Blessing
- Parent-Child Relationship
- Preparing myself for the Matching
- Testimonies from Parents and Candidates and more...

Good communication between parents and the candidate is central in the matching process. Therefore, to attend this workshop together is the best preparation for matching. If both parents and children receive this content together there is a better foundation for discussion and sharing throughout the matching process.

For some parts of this webinar, we will divide into two groups – with some presentations aimed at guidance for parents, while others will focus on guidance for candidates.

Although this workshop is online, we would ask you to set aside the whole weekend to focus on the content. There will be plenty of breaks, where you can take time to discuss between parents and children, eat meals together and reflect individually.

Overview of the Education Requirements for Matching and Blessing:

Please note that each candidate has to complete the necessary education in order to be able to attend the Blessing. Ideally this education should be completed before starting with the Matching Process. It is important to prepare well before beginning the search for a possible partner and this education will help families to approach the matching in a better way.

Target: 14-17 years old 2nd plus Gen

Where: local and community level

When: once a year, depending on the nation
