

# Tribal Messiahship

Neumarkt St Veit, Germany, 23. September 2014

**D**ear brothers and sisters - and fellow Tribal Messiahs. Hope you are all well.

Our family, my wife Magda, me and our 5 children, are living in my wife's hometown in Bayern. We belong to the Munich congregation. My Tribal-Messiah work is in Bayern, Germany and Norway. Additionally we are doing activities in the University City of Regensburg, where we also have "Haus-Kreise" (home circle) on a regular basis.

We have good DP material in Europe that inspires me, but in the process of doing this work I realized that we were missing one aspect of DP-literature that could fit our way of witnessing and doing Tribal-Messiah work.

After a longer time of contemplation, the idea of a "DP-Studienheft" (DP study booklet) emerged. With this idea I contacted Achim Pock, our brother in Berlin very talented in publishing. Together we developed the DP Concept into the present form.

We planning to publish 6 "Studienhefte"

Part 1: The Ideal, 3 blessings, Growing Period etc.

Part 2: Spiritual World, 3 Stages of Life, etc.

Part 3: Fall of Man

Part 4: Mission the Messiah.

Part 5: Jesus and John the Baptist

Part 6: Principle of Restoration

By now two "Studien-Hefte" are published in German, English and Norwegian language:

Part 2: "LIVING IN TWO WORLDS"

Part 3: "WHY DOES EVIL EXIST?"

The Norwegian church ordered and received 1.000 copies.

Part 1 and part 4 are soon ready for print in German language.

## Supplement:

### A Divine Principle Witnessing Concept

We want to give people short and inspiring, DP-Messages to read and study, with a beautiful wrapping that corresponds to the value of its content, best design, pictures, excellent print quality etc.

If we can inspire brothers and sisters with quality witnessing tools, they will also feel motivated to introduce the DP to their friends, relatives and guests.

People do not take much time to read these days, especially young people. If they do, they want to understand the core message as fast as possible. Also the news they often want to have it in a short form, news-blogs, etc. The Jehovah Witnesses always give a small colorful brochure to read until the next time they come by.

How and in which form do I introduce the DP to the people I know like relatives, colleagues, friends, in doing Tribal Messiah work or people I meet for the first time at the book table?
