**Happy True Children's Day & Foundation Day
of the Unified Nation of Heaven and Earth**

"Mother's conclusion is that you are truly lucky boys and girls. You can never imagine how much True Parents love you.

True Parents always want to see in person the shape and faces of you children growing beautifully as you are now."

Address to the Blessed Children Hak Ja Han March 20, 1994 East Garden

Dear brothers and sisters!

As we celebrate two of the most important holidays of our unification movement, the 58th True Children's Day and the 30th Foundation Day of the Unified Nation of Heaven and Earth, let us embrace our Heavenly Parents and our True Parents as children who love them deeply and are united with them. Let us offer praise and gratitude to God as the creator and ruler of the universe, who at the same time is intimately close to each one of us in our heart as our heavenly parent, guiding and loving us each step on our way. Let us also be grateful to our beloved True Parents who have shown us this love of God substantially in their lives and offer them the best of ourselves in this crucial time of the providence, with a heart of filial piety to Heaven.

Wishing you much joy on this holy day together with your precious family and brothers and sisters worldwide!
