Dear friend,

We are pleased to invite you to our 18<sup>th</sup> Anniversary Assembly of the Women's Federation for World Peace which will take place from September 24-26, 2010, in New York City entitled "Human Rights: Awakening the Dignity of Women."

This hands-on, experiential conference is designed for women who seek to better equip themselves for today's changing world. We encourage women of all ages to join us, particularly mothers and their daughters and daughters-in-law, 18 years and above. In fact, we invite all like-minded women interested in supporting the emergence of the new world culture of lasting peace.

The 18<sup>th</sup> Anniversary Assembly will reflect the new vision of WFWP under the spiritual guidance of Rev. In Jin Moon, the daughter of our Founder, Dr. Hak Ja Han Moon and National Pastor of Lovin' Life Ministries and CEO of Manhattan Center Studios Inc.

As the newly appointed national President, I offer my heartfelt gratitude for the marvelous foundation our former President, Mrs. Alexa Ward built. While WFWP will continue to pursue our humanitarian activities on an international level as United Nations NGO, Rev. In Jin Moon has inspired us to also focus our attention and investment right here in our own back yard—our local communities in the United States, for our own young women.

Our speakers include two powerful and accomplished ladies: Rev. In Jin Moon herself, and Patricia Lalonde, a Humanitarian and International Author from Paris, France, who will speak on "Human Rights and Women's Dignity". Other sessions will include meditation, health, healing, beauty from the inside out, dealing with today's sex culture, as well as a call to service and action in our communities, concluding with a Women's Health Fair.

For your relaxation and enjoyment we invite you to dress up for an evening Gala filled with dinner, dancing, and entertainment. Ballroom dancers will be on hand to usher you onto the dance floor.

I am greatly looking forward to our time together. I guarantee this will be an opportunity for refreshment, rejuvenation, learning and fun.

With warmest wishes,

Angelika Selle  
President, WFWP-USA  
Vice President, WFWP International
