Happy Thanksgiving - Message and Action Steps for Peace

November 22, 2017

Dear friends,

On this special Thanksgiving day we GIVE THANKS to YOU, our valued friends and supporters for your loyalty and confidence in our work to create a culture of heart and peace in our current reality.

Earlier this month, Mother Moon gathered 80,000 people of various backgrounds and religions for a Global Peace Rally. We thank her for her leadership and boldness to bring a strong voice of peace to the international scene.

We in WFWP USA have much to be grateful for, including so many wonderful accomplishments in 2017. And as we remember the many blessings we have, we would also like to include honoring our First People of this nation, as we commemorate National American Indian Heritage Month.

Therefore in the spirit of W.T. Purkiser, before sitting down with our families for dinner, let us take time to learn more about American Indian history, grow our resolve to care for them as well as mother earth and all of its inhabitants.

We would also like to encourage and challenge you to write down 12 reasons you are grateful for - people, circumstances, miracles in your life - and then give back to those who have benefited and supported you.

Through these simple acts of acknowledgement, giving back, or paying it forward, thus spreading goodness and love, each of us will make an impact for the sake of reconciliation and peace, which is needed everywhere like fresh air.

We look forward for you to share your story of GIVING with us next week, which we will print and share in our newsletter.

Many Blessings to you!
