## **Goodness Goodness Grows Grows**

### **Women's Federation for World Peace and YOU**

Dear Friend,

Are you seeing double? We are!

Today, every dollar you donate to Women's Federation for World Peace can be **doubled!**

A generous donor has pledged to match donations made **today only**, Wednesday, Dec. 20th, with a benchmark of **\$600**.

Please consider a contribution toward our goal of \$600 so that \$1,200 can enable more education programs for women leaders who impact their communities through service, reconciliation programs, and their unique feminine leadership.

And **share** with family and friends that today, their donation can be doubled!

In 2017, Women's Federation chapters conducted:

**40** Women's Empowerment Programs,  
**32** Peace and Reconciliation Events, and  
**9** Family & Marriage educational programs.

Through our programs in 2017, we reached **over 3,200 people**. With your support, we can reach many more.

You can keep goodness growing in the new year!

Here's to an impactful 2018,  
WFWP USA
