New Year's Eve to-do list...

***PLANT SEEDS TO GROW GOODNESS IN 2018,
END-OF-YEAR TAX-DEDUCTIBLE DONATION***

You never give up; you never stop *reaching*. You know, as we do, that peaceful communities and **a peaceful world** are possible and achievable.

Thanks to amazing donor support, in 2017, Women's Federation for World Peace was able to conduct 32 Peace & Reconciliation events.

Seeds were planted, and we, the one human family, reap the rewards when *goodness grows*.

A generous donor has pledged to match donations made today, New Year's Eve, when the day's **goal of \$1200** is reached.

When you give \$25, your donation becomes \$50. Give \$100, and your donation doubles to \$200!

Your tax-deductible donation to **Women's Federation for World Peace** can make sure **goodness grows in 2018!**

Together we will continue to reach and achieve.

God Bless you!
