Dear Friend,

Greetings of love from Women's Federation for World Peace USA!

It is our great pleasure and joy to invite you to the **Peace Starts With Me – WFWP USA Reception** followed by the Peace Starts With – Healing America Rally on the observed date of **Veteran's Day, Monday, November 12, 2018.**

Join us for the Reception from 10AM to 12PM at the Long Island Marriott Hotel to hear inspiring messages from local politicians and women leaders, and to honor our women veterans. Special recognitions of the "HerStory Award" will be given to women who have overcome multiple odds and challenges, and have made an impact in their community, nation, and world to bring about positive change. The program will conclude with musical pieces, time for networking, and a delicious complimentary lunch.

After the reception, all will walk to the **"Peace Starts With Me" rally at the Nassau Veterans Memorial Coliseum, from 2-5 PM**, which is located **right across the parking lot from the Long Island Marriott Hotel.**

More than 15,000 people, among them faith leaders, public officials, women, and youth from every sector of America, will gather to honor those who have faithfully served our country. **Bishop Noel Jones of the City of Refuge in Los Angeles** will be giving a stirring message for unity and peace, setting the stage for a **once-in-a-lifetime message of hope and reconciliation directly from our Founder, Dr. Hak Ja Han Moon, joining us all the way from Korea.**

Raising the spirit for celebration will be various performers, among them Grammy Award winning gospel artists **Bishop Hezekiah Walker and Yolanda Adams**, who will be singing with a 5,000-voice choir from the combined congregations of New York, Connecticut, New Jersey, and Pennsylvania.

Through live-streaming and media coverage **this historic day and experience will be shared with thousands across the globe.**

Tickets in advance are REQUIRED to attend the rally, and are going fast; Don't miss your opportunity to be uplifted, empowered, energized, and transformed by the Divine Spirit that will manifest on that day. **See ticketing and RSVP details below.** We look forward to seeing you there with your friends and family.

Quote from Founder, Dr. Hak Ja Han Moon:

"The Hope for Humanity comes from Mothers," April 10, 2002

"As the future unfolds, humanity will have no option but to live interdependently in a pluralistic, global society. A culture of peace will be established all across the globe. When this happens, the precious role of women who are grounded in the love of God will be recognized as an absolutely essential ingredient not only for the family, but also for society, for the nation and on the global level as well."
