**"Give a man a fish and he eats for a day. Teach a man to fish and he eats for a lifetime... Teach a woman to fish, and everyone eats for a lifetime!" --**

The gift of education through WFP Schools of Africa opens up a world of possibilities for women, their families, and their communities! **Your donation of \$25, \$50, \$100, or more will have a tangible impact for future generations.** Click below to donate today and check out this exciting news from Senegal:

### **Successful Senegal school has expanded to second location! -**

The Social Self Support Assistance Center "JAMOO", which has women's economic independence as its goal, has captured the interest of its community and even the government. Thanks to increased enrollment, and the support of the Senegal Ministry of Women and Family and WFP International, a second school has been built to give job training and thus, economic opportunity, to even more of the women of Senegal.

### **Meet Sally, a graduate of JAMOO -**

Thanks to the Social Self Support Assistance Center "JAMOO", Sally is looking forward to a career as a dressmaker. She says she had little hope for her future before receiving her training at JAMOO, and now she not only feels confident, but considers her teachers and the students like family!

**GIVE** Love

**"For it is in giving that we receive." - St. Francis**

The WFWP USA "Schools of Africa" project supports 9 schools in 8 African countries.

Each year, WFWP chapters across the country hold dynamic and creative fundraisers for the Schools of Africa. Fundraising events may take the form of tag sales, silent auction galas, or luncheons that celebrate African food and culture.

**Since 2001, thanks to generous donors, WFWP USA has sent over \$430,000 to the schools.**

This invaluable support has helped the schools purchase critical materials for lessons and provide scholarships to impoverished students. Contributions from WFWP USA have also supported school feeding programs, expanded and improved facilities, and paid for skilled staff. Many of the schools operate in the poorest neighborhoods, and have come to serve as a source of stability to their communities.

The spirit of giving is in the air, and this year we have a goal to raise **\$10,000** by December 31st. Together we can continue to provide African school children education, skills, and hope for a bright future. A future guided by the Culture of Peace.

Make your tax-deductible donation today!

When you give love, you receive joy. May joy come to you this season.

Thanks to supporters like you, this year over 3,000 women of all ages were educated and empowered to use their gifts and talents to lead with heart and create a culture of peace. Thousands more were reached through radio and TV programs promoting our motto "Living by the Logic of Love".

Through leadership retreats, seminars, service projects and many more local and national programs, women are gaining the tools they need to take action and build genuine and lasting peace in their families and communities.

## Help Women's Federation for World Peace promote the vision of Leadership of the Heart!
