Have you ever wished to make a difference, to help women use their talents and voices to create peace?

A membership with Women's Federation for World Peace supports the expansion of our engaging **Leadership of the Heart curriculum**, educating thousands of people, across the nation, about compassionate leadership. When we educate for peace, we create peace!

Your \$15 per month Silver level membership, or \$30 per month Gold level membership, makes a world of difference to women seeking knowledge and skills to activate their community's peace potential.

**Help women realize their true value...**
