Missionaries who completed their missions in six regions

A renewed commitment to advance as leaders of the new generation

The completion ceremony for the 2nd group of Heavenly Korea Heavenly Top Gun Missionaries was held on February 13 (HC 12.26) at Cheongpa-dong Family Church.

This ceremony was prepared for 23 missionaries who had returned after completing their missions in six locations, including Canada, Albania, and the Philippines.

Heavenly Korea Family Federation President Dr. Song Yong-cheon emphasized that the completion ceremony should not be the final destination, but rather a place of renewed departure and new leap forward into the vast ocean of God's providence.
