Re. : Special Grace for the Entrance into the Cheon Il Sanctum in Cheon Won Gung

We pray that the blessings and love of our Heavenly Parent and the True Parents of Heaven, Earth and Humankind will be with you in all regions and all areas of the providence.

The era of the firm establishment of Cheon Il Guk is “the time when True Parents realize the dream of our Creator, Heavenly Parent, on earth” (True Mother, July 18, 2024). As we approach the Entrance Ceremony for the Cheon Il Sanctum in Cheon Won Gung, which marks the day of the completion of Heaven’s providence and conclusion of human history, the Only Begotten Daughter, the Substantial Holy Spirit, True Mother, is offering deeper devotions than at any previous time.

True Parents have stated, “Fallen people can only be with Heavenly Parent by being reborn through True Parents. This is the hope and dream of all humanity” (July 18, 2024). In this era of the completion of Heaven’s providence, True Parents have instructed all blessed families and members to cast off all that is evil and make a fresh start. In line with the Entrance into the Cheon Il Sanctum in Cheon Won Gung, they are also granting Special Grace.

Accordingly, we would like to request you to guide all blessed families and members worldwide so that not a single person misses the opportunity to participate in Heaven’s Special Grace. Please follow the instructions below to ensure full participation.

1. Providential Background

- A. As we enter the era of Heavenly Parent’s direct governance, True Mother seeks to complete Heaven’s providence through the Entrance Ceremony for the Cheon Il Sanctum in Cheon Won Gung. Through this, she hopes that it will expand the environment in which blessed families can substantiate their relationship with the Creator Heavenly Parent, thereby establishing the Kingdom of Heaven on earth.
- B. As we stand on the threshold of the era of the completion of Heaven’s providence and the conclusion of human history, which has long been the dream of Heavenly Parent, True Mother has granted Special Grace so that all blessed families across the world may live lives free of shadows, clear away all past sins, and make a fresh start.

2. Meaning of the Special Grace

- A. The Special Grace that the True Parents of Heaven, Earth, and Humankind bequeath cleanses all blessed families and members from any violation of heavenly law they have consciously or unconsciously committed in front of Heavenly Parent, in order for them to become true citizens and children of Cheon Il Guk in the era of the firm settlement of Cheon Il Guk and completion of Heaven’s providence. These include matters of ethics, of faith and of the heart, such as loss of faith, filial impiety, negligent life of faith, drinking, smoking, apostasy, heresy, sexual fall or other sexual misconduct (relationships outside the Principle), infringements of the heart, and

- B. True Parents' Special Grace does not absolve us from the need to indemnify the violation of a nation's laws or the harm or hurt caused to others. Such indemnity conditions must be set and fulfilled by each person.
