Traveling 2nd Gen Musicians

A group of second generation
musicians are going on a
nationwide tour to play their
music this August. The bands'
names are *Taking the
Hourglass* (a band from
Columbus, OH), *Sail the Boat* (a
band from NYC, NJ), and
Youngbok Gomez (an artist
from Rowland Heights, CA). All
bands are already doing
amazing things in their own
local music scenes, and now
they are coming together to
create a show that is both
memorable and inspiring to
everyone all around the country.

They are doing a fundraiser to
help fund the tour. They need
your support! All dates are
scheduled and venues booked.
They are almost 50% funded

CHRISTIAN MINISTERS A-CALLING!

Critical Area for 2020
New Hope Maryland ACLC
(American Clergy Leadership
Conference) Leadership
Position

There is a terrific opportunity for those who feel called to invest and support the handful of ACLC-ers in Maryland. Father steadfastly loved, served, and educated thousands of Christian ministers. Someone is needed to schedule get-togethers, pull the team together, make plans, attend other churches, etc. Pastors will participate and support you. This is a 6 or 12 month commitment with 2-5 hours per week. We ask that you please pray deeply about this. We urgently need to make this a success and make substantial progress towards 2020 victory.
