Happy Friday!!

Here are the latest announcements and upcoming events taking place this weekend!

We will have our Sunday service this Sunday at 10am, here at 4W43 in the Blue Room! This week we will be having our sermon given by our Pastor Rev. Miilhan.

Lunch and refreshments will be served afterwards in the Aqua Room, which is to the right of the security desk! Do note that Floor Management would also appreciate that any food and beverages are kept in that room only. Chess will also be set up so you're welcome to join in on the fun as well.

Sayaka is also looking for additional help to assist with the food preparation. They are short on helpers so if you are interested you can contact Allyson Hagood or Mimi Yukawa and arrive on Sundays at 9:30 AM to volunteer. We encourage a \$2 donation to help with food costs. We are still accepting food donations if you'd like to contribute please let Sayaka Stephens know.

We will also have Children's Ministry Upstairs, led by our dear sister Maria Makarova. On behalf of the 43rd management team, we ask that you please do not let your child roam around the hallways as there are tenants coming in and out of the building.

Zoom Etiquette Guidelines for Morning Devotion Lite

1. Be punctual: Join the Zoom meeting a few minutes before the scheduled start time to ensure a smooth and timely beginning.
2. Dress appropriately: Although you are attending from home, it is recommended to dress modestly and appropriately for the morning devotion program.
3. Mute your microphone: When you join the meeting, please ensure that your microphone is muted to minimize background noise and distractions. Unmute yourself when it's your turn to speak or contribute.
4. Use video selectively: While it is encouraged to have your video turned on to foster a sense of community, it is understandable if you prefer not to. If you choose to keep your video off, try to engage by participating in the discussions via chat.
5. Be attentive and engaged: Show respect to the speaker and fellow participants by actively listening, focusing on the content, and avoiding distractions. Avoid multitasking or engaging in unrelated activities during the devotion.
6. Use the chat feature appropriately: The chat feature can be used to share relevant scriptures, ask questions, or provide meaningful contributions. Avoid using the chat for unrelated conversations or sharing personal information unless it is relevant to the devotion.
7. Raise your hand: If you wish to speak or contribute during the devotion, use the Zoom "raise hand" feature or notify the host through the chat. This will help maintain order and ensure everyone gets an opportunity to participate.
8. Be respectful and considerate: Treat others with kindness, respect, and empathy. Avoid interrupting or talking over others. Wait for your turn to speak and be mindful of the time to allow everyone a chance to contribute.
9. Avoid technical difficulties: Test your audio and video settings before the meeting to ensure they are working properly. If you encounter technical issues, try to resolve them quickly or seek assistance from the host or technical support.
10. End the meeting politely: Once the morning devotion program concludes, thank the host and fellow participants for their time and participation. Disconnect from the meeting in a respectful manner.

Remember, these guidelines are meant to create a conducive and respectful environment for everyone to engage in meaningful devotion. Enjoy the morning devotion program and let it be a source of inspiration and spiritual growth.
