On Father's Day, June 17, the Kona Family Church in Hawaii was blessed to have Sun Jin Moon, the President of Family Federation International, lead their Sunday Service.

Sun Jin Moon celebrated True Father's heart by reading from his autobiography *As a Peace-Loving Global Citizen*, and recited a meditation reading from True Father's poem "Crown of Glory." The poem is about forgiving the world and believing in the power of unconditional love, which was a strong foundation for the meditation. After the meditation, Sun Jin Moon asked everyone to hug their neighbor with love and gratefulness, then she individually hugged every participant in the room.

Sun Jin Moon stated that we all have access to use Father's words to give us life, hope, wisdom, love and healing whenever we need. She emphasized

the importance of doing Hoon Dok Hae on a regular basis and including a meditation session here and there to empower ourselves using True Father's words and unconditional love. What better way to celebrate Father's Day than with the reading of True Father's profound words?
