April 9, 2020

Are you interested in becoming a pastor and want some training?

Are you currently a pastor and want to add to your skill set?

Or maybe you're just interested in pastoral care generally and would like to explore your potential...

The Pastor Training Programme is for you!

FFWPU in the UK has invited Kevin Thompson to deliver this programme. He's originally from the UK, but he has been serving as the pastor of the Bay Area Family Church in San Francisco, California, for several decades, and he has a passion for the pastoral role in our community. He will be connecting with us via Zoom every day for 2 hours between 3-5pm UK time (4-6pm CET) presenting topics that include:

How to craft a message

A schedule you can live with

The spiritual life of a pastor

Building and leading your team

Tsunamis heading the way of the church

In addition to Kevin Thompson, a number of additional contributors from the UK and beyond will be presenting material. Each 2-hour session will be interactive. The programme begins on Monday 20th April and continues daily, Monday to Friday, until Friday 1st May.

Please register for the programme by completing this form:
