I am in Las Vegas with True Mother who is heading to South America.

As you saw in the memo which came out a few days ago, Mother initiated a 40-day period of serious spiritual training and condition and In Las Vegas Mother asked that we do an intense 3-days condition to kick off the 40-days.

So we are praying, studying and doing chanyang sessions for 3-days.

What Mother is speaking about will be revealed soon.

Please pray for Mother's safety and victory in South America.

We are receiving lectures from Dr. Jin Choon Kim.

Today's focus on the 3 Great Blessings.
