## 21-Day Outreach Campaign - We have 300+ new members across the country

Kevin Thompson October 11, 2024

Brothers and sisters,

Thank you for everyone's participation in the just concluded 21-day outreach campaign. We didn't make our goal but we have 300+ new members across the country this year. The breakthroughs are certainly coming.

On Monday the 14th we will begin our 2nd 21-day campaign and I invite everyone to get involved in any ways that you can. Please make a personal goal to bring 1 new person to an introduction about Heavenly Parent, True Parents and the Peace Starts With Me movement.

God Bless,

~Kevin and Masako Thompson
