October 26, 2024

# WEST REGION

Brothers and sisters,

This weekend President Dunkley will visit our region for the Music Masterclass in Los Angeles and then hold the National Sunday Service which will be broadcast live at 9:00am PST.

Let's continue with our witnessing efforts. I heard from International President Song this week that True Mother is concerned that we don't have enough CIG Citizens. Everyone that you invite to sign membership will be automatically included. Good reason to go back to your tribe, your contacts and friends and ask them to sign membership. It will also give comfort and inspiration to True Mother.

A reminder that Nov 1 is True Children's Day. Please celebrate well at your local church or in your home.

God Bless,

Kevin and Masako Thompson
