WEST REGION FAMILY NEWSLETTER

Brothers and sisters,

We now enter the period to bring substantial results, more than at any time in the past. In fact, the past is past and should be left in the past. Our thinking should be different from the past, and we can leave behind our persecuted mentality and allow God to work in much greater ways than ever.

As you know, True Father asked us to bring 30,000 members in America, beginning in the 1970s and repeated over the next few decades. Efforts were made through street witnessing, Home Church, CARP, Ocean Church, and others - to no avail. Now, in the new era we live in, we will accomplish this goal, which, according to Father, will protect the True Family, make us serious players in the world of politics, and bring many other benefits. We may ask everyone to renew their membership so that we can see what our starting baseline number really is.

We shall kick off our next Sprint this Sunday, May 4th. Let us all be proud to be part of our church and reach out to let the world know that True Parents came to this earth and that True Mother is still alive and with us today. Give everyone the chance to know her.

At the time of Jesus, he was eventually alone - everyone who knew Jesus abandoned him and fled. The result was crucifixion and 2,000 years of struggle. At this time, we want at least one-third of the population to know that True Mother is here and be supportive of her work.

God Bless,

Kevin and Masako Thompson
