WEST REGION FAMILY NEWSLETTER

Brothers and sisters,

Amazingly an American is the new Pope, America will host the World Cup 2026 and the Olympics will be in LA in 2028. America is really on the world stage in the next few years.

We plan to bring 30,000 members to our movement in the next few years to put our movement and more specifically our True Parents on the World stage too.

As we continue to bask in the afterglow of the opening of Cheon Won Gung / Cheon Il Sanctum, let us ready ourselves for great and wonderful challenges and victories with our Heavenly Parent.

Happy Mother's Day to all of our precious mothers.

God Bless,

Kevin & Masako Thompson
